PRICE FIVE CENTS

GIVE REASONS FOR OPPOSING RESERVE SITE

Cumberland Twp.'s supervisors and planning commission and the Adams County commissioners this morning presented reasons for their opposition to the proposed location of the new \$250,000 Army Reserve Center on land adjoining the Gettysburg Shoe Factory at a hearing in the law library at the courthouse.

Walter J. Lock, representing the Corps of Engineers, Washington, D. C., heard Colonel Thomas Nixon for the township planning commission; Raymond Redding for the township supervisors; Attorney Eugene R. Hartman for the owner of the land, Ralph Deatrick; the commissioners, E. Donald Scott, Clarence Waybright and Charles Bender, and the commissioners' attorney, Charles Wolf.

The protestants were in agreement that all want an Army Reserve Center to be located here, but are opposed to the proposed site because of its desirability for a building development.

Army Has Land

Lock said he would report, without recommendations, to the Department of the Army which has already taken over the land. Lock said that the Army obtained possession of the land by court action and that all that remains is to determine the price through the court.

He added that the corps of engineers has been looking for a site for an Army center here for four years, and that the Deatrick land is the only one they have been able to find that met all conditions.

Good Development Area

Co. Nixon said that the Deatrick land and land south of it is a natural area for development since it lies adjacent to present areas being developed. Sewer and water connections are easily available. A large number of those employed at the Gettysburg Shoe Company travel "15 to 20 miles or more to work" and likely would be interested in purchasing homes near the plant if the area could be opened for development.

Building the Army Reserve center on the 26-acre Deatrick property would block off access to acreage south of it. "The only

BOY SCOUTERS NEED \$1,704 TO MEET GOAL

With a total of \$3,795.50 raised so far, \$1,704.50 is needed to reach the goal of \$5,500 in the current drive for funds for the Black Walnut Boy Scout district, Jack H. Orner, chairman of the campaign, announced Wednesday evening at a meeting of the Black Walnut Boy Scout district at the engine house.

Canvassers are asked to call Orner at Biglerville 159-R-2 this evening to make the regular report. Discussion at Wednesday's meeting showed nine of the 16 communities into which the area has been divided for the drive have already secured as much, or more, in their campaigns than was secured last year. York Springs reported Wednesday night a total of \$265.75.

Two members of Troop 73, Walter Skidmore and Michael Shealer, were advanced to Star Scout following a board of review held in connection with the district meeting.

96 Advancements

Crosby N. Hartzell, district advancement chairman, reported 96 advancements recorded by the district Scouts during the first two months of the year. He termed the best January-February record so far.

Russell Schwartz, Biglerville, was introduced as a new member of the district committee.

Paul Hollinger, camping and activities chairman, reported plans for the annual Black Walnut family picnic June 26. The organization and extension committee reported plans for organization of four new units within the next few months.

Attendance Grows

Training Chairman Donald Carver reported attendance at the University of Scouting increased from 62 at the opening session to nearly 100 at last Tuesday's session and said increased attendance is expected during the remaining two Tuesday night sessions.

Ralph Bream reported that the

Girl Scouts To Go To Church Mar. 13

The four Girl Scout troops at St. James Lutheran Church will attend the 10:45 o'clock service at the church Sunday, March 13, instead of this coming Sunday, it was announced today.

Originally the units had planned to mark Girl Scout week by church attendance this Sunday but postponed the church going for one week because of the Communion Service this Sunday.

The units are Senior Girl Scout Troop No. 36 led by Mrs. James Allison; Intermediate Troop No. 44 led by Mrs. Arthur Phiel; Brownie Troop 62 led by Mrs. Louis Brady and Brownie Troop 71 led by Mrs. Harry Eckdahl. All of the scouts will gather in the chapel prior at 10:30 o'clock to march as units into church for the service.

READING PLANS STEAM TRAIN RUNS IN SPRING

The Reading Railroad will operate two of its famous "Iron Horse Rambles" with giant steam locomotive No. 2124 to Gettysburg on April 30 and May 8, it was announced today. The massive locomotive is one of the last of its kind operating in the eastern half of the nation.

The trips, coming during the apple blossom season in Adams County and in advance of the centennial of the Civil War, are expected to attract a capacity crowd of 978 passengers from all parts of the country on each trip, according to the announcement.

The locomotive and 16-car train will layover here for one and one-half hours on each of the trips, said Sidney R. Spencer, passenger traffic manager of the Reading. Officials of the Reading met with town officials here recently to map details of the visit of the big locomotive and train.

Take On Water Here

The first trip on April 30 will run from Jenkintown, Pa., and Wayne Junction, Philadelphia, and the second on May 8 will operate from Bethlehem-Allentown and Reading.

During its stay here the engine will take on water for its 19,000-gallon water tank and be turned around on a side track for the return run. It will be available for inspection by the public during this time.

The huge locomotive, weighing 400 tons with full water tank and 26 tons of coal, is one of the last surviving steam engines in the eastern United States in operation in passenger service. It is also one of the largest locomotives ever built in the east.

The Reading is the only railroad in the nation sponsoring company-operated steam excursions. Others, on several western railroads, are sponsored by private groups. On each of the trips, the train is expected to arrive in Gettysburg at about 2:45 p.m., leaving at approximately 4:20 p.m.

BOARD WILL MEET

Notices have been issued for the March meeting of the board of directors of the Adams County Crippled Children's Society next Wednesday afternoon at 4:15 o'clock at the Methodist Church here. Mrs. Franklin R. Bigham, the president, will preside. The meeting was announced by the secretary, Miss Ellen R. Miller.

WILL BE 97 FRIDAY

Mrs. Rosa H. Griffin, who resides with her son-in-law and daughter, Mr. and Mrs. Vernon Rife, New Oxford R. 2, will observe her 97th birthday Friday.

President Heads For Three-Day Rest In Puerto Rico After Enthusiastic Welcome In South America; Gets Tear Gas In Eyes

By MARVIN L. ARROWSMITH
BUENOS AIRES (AP)—President Eisenhower flew north to ward home today after a triumphant four-nation South American tour marked by huge, enthusiastic crowds and a smattering of tiny anti-U.S. demonstrations.

The President flew to Buenos Aires in his trusty Columbine III after a 21-hour stay in Montevideo, capital of neighboring Uruguay. He held a brief last meeting with Argentine President Arturo Frondizi, then took off in his Boeing 707 jet for an all-day flight to Puerto Rico and three days of rest before going on to Washington.

Stop To Refuel

U.S. Air Force officials said the flight plan at the time of departure called for a refueling stop in Paramaribo, Surinam, after a flight of nearly six hours. That schedule would put the President in Puerto Rico late this afternoon (4:30 p.m. EST).

Eisenhower was smiling and in

DUNCAN CITES EXPERIENCES AT CHM DINNER

Drawing from his experiences as a journalist, columnist, feature writer and television sports commentator, C. William Duncan, native of Gettysburg, now associated with the Camden (N. J.) Courier-Post, addressed nearly 200 persons at the annual cherry-raspberry growers' banquet at the C. H. Musselman Company cafeteria, Biglerville, Wednesday evening.

Commenting on subjects such as politics, sports and the theater, Duncan said, "1960 is going to be a very interesting year in politics. The Republican convention is going to be dull, but the Democratic convention should be a dilly."

He discussed the public evaluation of political candidates in saying: "The day of the whistle-stop campaign is gone. Now politicians have to look well and speak well on television." The new media, enabling millions of viewers to look on, was compared with the relative few persons at a junction of the past.

Once Made Prediction

Duncan said today voter considers "ability secondary" and votes for "the person they like for one absurd reason or another." He warned against smugness "in thinking Nixon was a sure thing," recalling how years ago he felt this way about Thomas Dewey. He had based his prediction on his familiarity of the subject in addition to his observation of how the campaign was progressing. An office girl chose the "winner" and he "quit as a political prophet."

He said a lot of people did not care for Dewey because of his mustache and the candidate was called "the little man on the wedding cake." He said Dewey was a 15 to 1 favorite when he lost: I should know, I bet on him and I gave 15 to 1!

Turning to sports, Duncan recalled that Duke Snider once complained about having to spend 30

(Continued On Page 14)

GIVE CONCERT HERE MARCH 10

David Lloyd, tenor, and Wolfgang Schanzer, pianist, will present the second in the series of three concerts sponsored by the Gettysburg Concert Association in Christ Chapel, on the college campus, March 10 at 8:30 o'clock. The program will include: "Sound and Alarm, from 'Judas Maccabaeus,'" Handel; "She Never Told Her Love," Haydn; "Adelaide," Beethoven; "Seven Songs from 'The Miller's Lovely Daughter,'" Schubert, and "Flower Song," from "Carmen," Bizet.

Following an intermission, piano solos by Wolfgang Schanzer will include: "An Old Song Re-sung," Charles T. Griffes; "Charles Rutledge," Charles Ives; "Tom's Philosophy Aria," from "The Rake's Progress," Igor Stravinsky; and three Italian serenades, "Corengrato," Cardillo; "Marchiare," Tosti-Giannini, and "Matinata," Leoncavallo, will be offered.

NEW MEMBERSHIP FEES

With the current season for new memberships opening Monday the Gettysburg YWCA has announced that the new minimum membership fee for adults is \$2 and for juniors, 50 cents. A classification for persons wishing to further support the YWCA program was announced as: Contributing members, \$5; supporting, \$10; sustaining, \$25, and life, \$100.

Times Station Measures Storm

Good or bad, the weather goes on every day and temperatures and snowfalls must be measured and recorded. While the biggest snowfall of the season swirled about The Gettysburg Times weather station this morning, Observer Hugh C. McIlhenny took a low reading of 19 above zero. The snowfall measured about six inches at 8:30 a.m. (Times Photo)

SERVICE FOR CHILDREN ON FRIDAY AT 3:45

The children's service for World Day of Prayer will be held in the fellowship hall of the Memorial EUB Church, W. High St., Friday afternoon at 3:45 o'clock.

Mrs. M. H. Pond and Mrs. Earl Shears will be in charge of the program.

Children from various churches of the town will take part in the services. Mrs. Musser's Girl Scout troop will also take part. The Cecilia Choir of Memorial Church will sing. Music will be in charge of Miss Evadell Crider and Miss Lois Ferrance. A flannelgraph story "Bambi and the Witch" will be told. This is a true African story.

Children of the schools are invited to attend. The offering will be used to purchase Bible story books for children throughout the world.

Britcher-Bender Win Pen Contest

Britcher & Bender Drug Store, 27 Chambersburg St., has been named a winner in a nationwide display contest conducted by the Sheaffer Pen Company. Thousands of Sheaffer dealers entered the contest in which cash and merchandise prizes were awarded for outstanding window displays of Sheaffer products during the 1959 Christmas season.

A total of 53 winners from 28 states were selected from photographs of displays sent to the company's headquarters in Fort Madison, Ia.

TRUCKER FINED

Cleo Raymond Cox, 29, East Rochester R. 1, O., paid a \$25 fine and the costs on a reckless driving charge brought by state police before Justice of the Peace John O. Whitman, Cumberland Twp. Cox, who was driving a truck-tractor and trailer, was speeding and passed a car on a hill with a state policeman back of him, the justice said.

JUDGES WILL PICK WINDOW PRIZE WINNERS

Judges were announced today for the window displays to be placed by the various Girl Scout units during Girl Scout Week which begins Sunday. Location of 36 displays was also announced.

Judging of the windows will take place Tuesday and will be based on originality, neatness, appropriateness, general appearance and effort. Mrs. M. Hardy Nichols, council consultant, announced today. In case of inclement weather, Tuesday, the judging will take place Wednesday.

In each of the four neighborhoods into which the county Girl Scouts are divided two prizes of \$3 each will be awarded. The one prize will go to the best Brownie window, the other prize will go to the best window display by either an Intermediate or a Senior unit.

Judges By Districts

Judges for the Gettys Neighborhood (Gettysburg) will be Mrs. Donald White, Mrs. Richard Newsham and Mrs. Forrest Craver. Judges for the Juliette Low Neighborhood, which includes Arendtsville, Bendersville, Biglerville, Cashtown and Fairfield, will be Mrs. John G. Bucher, Cashtown; Mrs. Philip Miller, Arendtsville; and Mrs. Paul Pitzer, Biglerville. In Neighborhood Three, comprising Conowingo Chapel, East Berlin, Hampton, New Oxford and York Springs, the judges selected are Mrs. William M. Lott, Gardeners; Mrs. Abram Belt, New Oxford; and Mrs. Herbert Blye, Gettysburg. The judges for Neighborhood No. Four, Bonneville and Littlestown, are Mrs. John Feeser Jr., Mrs. Earl Stites and Don Sheely, all of Littlestown.

The location of the displays in Neighborhood Four have been announced as Senior Troop No. 16, Telephone Exchange, Littlestown; Intermediate Troop 43, John Redding Barber Shop; Intermediate

TEETER TALKS TO WCF ABOUT DELINQUENCY

"Only three per cent of the nation's youth are involved in delinquency cases and boys outnumber the girls 10 to one in that group," District Attorney Daniel E. Teeter told members of the Women's Christian Fellowship of the Presbyterian Church Wednesday evening at their March meeting at the church.

"Although there is an alarming increase in delinquency, we must remember there has been a national, state and local tightening up by authorities. Hence more are being apprehended and that creates high statistics. We live in an unusually favorable area statistically," he continued.

Mr. Teeter observed that people have been "sure all children were heading for delinquency as far back as ancient Egypt and Greece, including people as notable as Socrates." To be adjudged a delinquent, Mr. Teeter said, a

(Continued On Page 2)

32 GET LICENSES

Thirty-two marriage licenses have been issued during the first two months of this year compared to 34 during the comparable period of 1959. Ten licenses were granted in February during both 1959 and 1960. Twenty-two permits to wed were issued in January, and 24 in the same month a year ago according to the records of the county clerk of courts.

Winter's Heaviest Snow Closes Schools; Battling To Keep Main Highways Open

MANY EVENTS CANCELLED BY SNOW STORM

Today's snow postponed the funeral of Mrs. Laura B. Wolf, 82, widow of Paul F. Wolf, who died Monday night at her home in Abbottstown.

Scheduled to be held this afternoon at 2 o'clock at St. John's Lutheran Church in Abbottstown, the services have been postponed until 10 o'clock Saturday morning, it was announced by the Fred F. Feiser Funeral Home in New Oxford which is in charge of arrangements.

The Rev. Lester J. Karschner, her pastor, will conduct the services.

The annual dinner meeting of the shareholders of the National Bank of Arendtsville, scheduled for this evening, has been postponed until next Monday evening, the bank announced today. The affair will be held in Zion United Church of Christ at Arendtsville.

Director Paul W. Grove announced today that the Junior and Senior Choirs of the Presbyterian Church will not rehearse this evening as scheduled. The Senior Choir will rehearse at 10 a.m. Sunday.

Because of the snowstorm, the Gettysburg-Muhlenberg basketball double-header scheduled for tonight has been postponed and will be played at Allentown Monday evening.

The Gettysburg girls' engagement today with the Fairfield Fairchild cagers at Hagerstown has been cancelled.

The annual fire wardens' dinner, scheduled for this morning at 6:30 o'clock in the Arendtsville Elementary School, has been postponed. The dinner will be held next Thursday evening, same hour, same place.

The meeting of the Adams County Fire Chiefs' Association scheduled to be held tonight at Barlow has been postponed. President Francis I. Linn said a new date will be announced as soon as arrangements can be made for presentation of the demonstration of use of fire proof clothing originally scheduled for tonight.

Richard Adams Dies Wednesday

Richard M. Adams, 61, 160 E. King St., Littlestown, died at 9:15 o'clock Wednesday evening at the Warner Hospital where he had been admitted Saturday as a patient. Death followed a long illness.

Mr. Adams was a son of the late Jacob and Kathryn (Jacobs) Adams and had worked 27 years for the Keystone Cabinet Company at Littlestown. He was a member of the Moose Lodge of Hanover.

Surviving are his wife, the former Ada Krumrine; two children, Jacob R. Adams and Mrs. Amos Fuhrman, Littlestown. There are seven grandchildren, two sisters and a brother, Mrs. Elsie McCall and Mrs. Edward Loeffel and George Adams, all of Littlestown.

Funeral services Saturday afternoon at 2 o'clock from the Little Funeral Home with the Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ, Littlestown, officiating. Interment in Christ Church Cemetery. Friends may call at the Little Funeral Home Friday.

The heaviest snowfall of the winter hit Adams County late today while more snow fell and more is forecast, state Highway Department crews battled to keep in forecast, state Highway Department crews battled to keep main highways open.

By early afternoon seven to eight inches of the white stuff blanketed the county and the state Highway Department said its reports from Harrisburg forecast up to 10 inches additional on the way. Snow began about 11:30 p.m.

All schools closed for the day with prospects for Friday sessions "very uncertain."

40 Plows, 110 Men

Highway Department officials urged motorists to stay off the roads except for essential travel. Main roads were open up to mid-afternoon but mounting winds made their condition tonight very doubtful. Secondary highways generally were impassable.

The state Highway Department had all of its equipment, 35 trucks and five graders mounted with V-plows for heavy snow were at work with the full crew of more than 110 men joining in the fight against the mounting snow and rising winds.

Utilities reported no storm troubles.

Mails, Buses Late

The C. H. Musselman Company announced it closed its plant at Biglerville at noon today to let employees get an early start home. Gettysburg Furniture factories were operating with short manpower.

Rural mail carriers had difficulties this morning and generally were unable to cover parts of the routes. Incoming mail at the post office here was an hour and a half to two hours late. The highway postoffice was 90 minutes late here this morning. Postmaster Jacob G. Appler said.

At the Greyhound terminal here at 1 p.m. the report was that north and southbound buses were up to two hours late and that no buses had arrived from Philadelphia or Pittsburgh. A Philadelphia-bound bus did not leave here at 7:30 a.m. on advice of the state police, the terminal said.

Meetings and other activities including a funeral were called off by the dozens today.

Worst In Penna.

Pennsylvania was whipped by its worst general snowstorm of the winter season today. Motor traffic was crippled, public transportation reduced to a crawl and most schools closed.

The snow began during the night and quickly spread a blanket of white over all points in Pennsylvania.

(Continued On Page 2)

COURT GIVEN DATA ON MOTEL LOCATION HERE

The Adams County court is considering whether Larson's Court should be entirely in Gettysburg, or whether it should continue as it is, with part of the motel in the borough and part in Cumberland Twp.

According to the report submitted to the court by the three "commissioners" named to "secure the facts" in the petition that slightly over three acres of Cumberland Twp. land be annexed to Gettysburg, the Larson corporation is seeking to have its entire property in the borough for various reasons.

Allen Larson, treasurer of the Larson corporation, testified, according to the "commissioners" report: "That it would be advantageous for the owner of the land in question to have the same annexed to the borough of Gettysburg by reason of the fact that upon annexation speed limit signs would be erected, there would be traffic control, street cleaning service and borough police protection. He testified that in addition, as owner of the area occupied by a motel he would have a better address and improved mail service."

Assessed At \$22,000

The three-acre property is assessed at \$22,000, according to the report.

The assessed valuation of Cumberland Twp. is \$2,072,240, and tation in the township is \$10 per capita and 45 mills on real estate, levied by the school board and \$5 per capita and four mills real estate levied by the township supervisors.

The board of commissioners reported: "The annexation would affect the remainder of the territory in that the assessed valuation of the township would be reduced and the income of the township and the school district would be reduced accordingly."

According to the tax rate listed

Destructive Ice And Snow Storms Stagger Wide Areas Of Nation; Damage In South

By THE ASSOCIATED PRESS

Destructive ice and snow storms, which staggered broad sections of the South, border states and the Midwest, ripped into the East today in one of winter's most violent weather attacks.

The fast-moving and far-reaching storms—the worst in years in some areas—caused a score of deaths, widespread damage and hardship and inconvenienced millions.

The storm belt stretched from the Rockies to the Atlantic Coast. Freezing In South Cold weather gripped most of the storm zone, below zero in north central regions, freezing in much of the South and East.

At least 20 deaths were attributed to the inclement weather. There were 6 each in Texas and Colorado, 3 in Kansas, 2 in Tennessee, and 1 each in Mississippi, Iowa and North Carolina.

Strong winds fanned the snowstorm into eastern sections, from

the upper and mid Mississippi Valley southeastward to the Appalachians and eastward through West Virginia and Virginia to the Atlantic Coast. There was much blowing and drifting snow in the mid Mississippi and Ohio valleys. Heavy snow—up to 10 inches—was indicated in some areas from the Ohio Valley to the Atlantic Coast.

Rain, Sleet, Ice

A belt of rain and drizzle extended from western West Virginia southward into southeastern Tennessee. Sleet and freezing rain pelted areas east of the Appalachians from the Carolinas to northeastern Alabama. Rain fell along the coast from northern Florida northward to North Carolina.

A sheath of ice and a blanket of snow covered southern areas from Virginia to Arkansas and East Texas. Snow measured up to 9 inches in southwest Virginia.

The worst ice storm in 25 years

(Continued On Page 3)

NEW MANAGER OF WOLF FIRM

William T. Wolf, president of the Wolf Supply Co., York, today announced the appointment of Jesse Dagenhardt as manager of the Wolf Supply Company, N.

JESSE DAGENHARDT

Stratton St., to succeed Cletus Mayer who has resigned.

Dagenhardt, who assumed his duties today, has been associated with the sales department of the company for two years. He attended the University of Pennsylvania and graduated from the U. S. Merchant Marine Academy, King's Point, Conn.

The Dagenhardts and their two children will move here in the spring.

STOCK PRICES SKID

NEW YORK (AP)—The stock market skidded badly early this afternoon as rails slumped below their 1959 lows. Trading was active.

obvious good humor as he said goodbye to President Frondizi. They had a final 15-minute talk aboard the sleek jet just before it took off.

Just before leaving Uruguay, Eisenhower and President Benito Nardone issued a joint "Declaration of Montevideo" repudiating all types of antidemocratic actions. They pledged their adherence to the principle of nonintervention in the affairs of other American countries and agreed to use their efforts to increase economic, social and cultural cooperation.

Get Hearty Abraxo

Then the two presidents gave each other a hearty abraço — the South American bear hug embrace — and Eisenhower boarded his plane, waving and grinning.

The cheers of millions along the way through Brazil, Argentina, Chile and Uruguay kept Eisenhower smiling and in high spirits from the minute he reached South America on his historic goodwill mission

BREAK GROUND SATURDAY FOR WING TO HOME

Ground will be broken at 2 o'clock Saturday afternoon for the construction of a wing to the Brethren Home at Cross Keys. District Moderator Robert L. Cocklin, Newville, and Dr. George L. Delweller, Waynesboro, chairman of the district board of administration; Mrs. Esther R. Pentz, superintendent of the home; past and present members of the board of trustees will participate in the ceremony.

The Brethren Home received its charter as a non-profit corporation September 14, 1908.

Have Raised \$100,000

The need for a wing devoted to the care of convalescent aged guests has long been felt. In anticipation of serving this need, a fund raising campaign netted approximately \$100,000.

The general contractor is Carson Linebaugh, Inc., York. I. H. Crouse and Sons, Inc., Littlestown, were the successful bidders for the heating and plumbing contracts, and H. N. Bange, Hanover, for the electrical contract.

Work will begin Monday on the construction which will require approximately 300 days for completion. The project will involve a total expenditure of approximately \$250,000 for the new three-story 125 by 37-foot wing. The building will be modern fireproof construction and will extend westward from the south end of the present structure.

Present officers of the board of trustees are: President, Dr. John R. Herr, York; vice president, Richard R. Grim, Windsor; treasurer, Clarence C. Frey, York; secretary, Roland H. Rowland, Hanover; assistant secretary-treasurer, O. Wayne Cook, Dillsburg.

Winter's

(Continued From Page 1)

vania. By mid-morning depths of from 4 to 6 inches were accumulated in most areas.

The storm reminded somewhat of the snowy blast which swept the state two years ago this month causing death, destruction, damage in the millions of dollars, and paralyzing the everyday life of many Pennsylvanians for as many as three days.

Strong Winds, Too

Then, as today, the snow was whipped by strong winds which cause huge snow drifts as deep as four feet. The winds — varying from 20 to 30 miles per hour — also made it rough on the snow clearing details, covering the highways with snow almost as fast as they can be opened.

The outlook was as dreary as the storm with U.S. Weather Bureau predictions of continued snow through the afternoon, changing to sleet and then back to snow, probably lasting until at least Friday morning.

Total accumulation is expected to reach 8-12 inches over much of the area with possibly heavier amounts in some eastern elevations.

Philadelphia Hard Hit

Philadelphia was whipped by its worst snowstorm of the season. Motor traffic was crippled, public transportation slowed and all schools closed.

More than six inches of snow is predicted by the Weather Bureau. The snow is expected to become mixed with sleet and then change back to snow, continuing until Friday morning.

In addition to the school closings in Philadelphia, all schools in the adjoining six-county area, and across the Delaware River in Camden, Gloucester and Burlington counties in New Jersey were shuttered for the day.

The storm also halted flights at International Airport. Winds of 20 to 27 miles per hour piled up drifts in the suburban areas as high as four feet.

Four inches and a prediction of 15 totally was reported in Scranton, while the Lansford, Jim Thorpe, Lehigh areas had 4 inches with the snow still falling at midmorning. Traffic jams were the rule in all areas.

In Allentown there was three of an expected eight inches of snow on the ground by midmorning. The few schools in Lehigh County that had opened planned noon closings. The same situation prevailed in Bethlehem.

BIRTH ANNOUNCEMENTS

health and safety committee has inspected more than half the meeting rooms in the district so far and has found all to be "in good shape."

District Commissioner Rex Maddox reported Commissioner Melvin Sargeant completed training as a commissioner at Camp Tuckahoe last weekend.

Plan For Safari
He also announced that a Scoutmaster outdoor training session will be held at Tuckahoe March 26 and 27.

Preliminary plans for the Haines Safari June 16, 17 and 18 were outlined by Scout Field Executive Stanley C. Rogers who also announced that the Scouts generally are seeking to complete all of their special requirements for the 50th anniversary program by July 23.

He also reported 822 boys enrolled at the present, an all time high for March 1.

LANCASTER CATTLE

LANCASTER, Pa. (AP) — (USDA) — Cattle 300, supplies mostly stockers and feeders, all classes nominally steady, few sales cutler and utility cows 16.00-17.75. Calves, hogs, sheep, not enough sales to establish a market.

DEATH

Mrs. Robert E. Eyler Jr.

Mrs. Helen Amanda Eyler, 45, wife of Robert E. Eyler Jr., Highfield, died at 5:30 a.m. Wednesday at her home. She had been in ill health for 3½ years, when she underwent an operation in the Waynesboro Hospital. Her health had been failing since July.

She was born at Monterey, the daughter of Lewis G. McClain, Gettysburg, and Delia Sarah (Harbaugh) McClain. All of her life was lived in the Blue Ridge Summit and Highfield areas.

She was a member of St. Stephen's United Church of Christ, Highfield.

In addition to her husband, she is survived by a daughter, Beverly Ann Cole, Highfield; two grandchildren; her father; four brothers, Glenn C. McClain, Waynesboro; Edgar L. McClain, Greencastle; Donald L. McClain, Havre de Grace, and Clarence W. McClain, Highfield.

Funeral services at p.m. Friday at the Grove Funeral Home, Waynesboro, conducted by the Rev. C. H. Corl. Burial in Green Hill Cemetery.

Friends may call from 7 until 9 this evening at the funeral home.

FIRE DESTROYS 3 YORK FIRMS

YORK, Pa. (AP)—Fire caused damage estimated at between \$70,000 and \$90,000 to three business firms at the old York Airport site east of here today.

Firemen from the surrounding area fought the blaze for over an hour in a heavy snow storm to bring it under control.

Tanks of propane and freon gases exploded periodically during the fire. One of the firms, Larami Metals, Inc., used the gases in refining and cleansing of nonferrous metals.

Morris Zuckerman, manager of Larami, estimated damage between \$50,000 and \$70,000 to his firm and its affiliated Larami Associates. Fleen Fun, terminal manager for Arco Carriers, Inc., estimated an additional \$20,000 damage.

The firms were located in reconverted hangar of cinder block and sheet metal.

The cause of the fire was not immediately determined.

Win Scholarship Titles At College

Chi Omega sorority and Alpha Chi Rho fraternity won scholarship trophies for highest grade averages during the first semester at Gettysburg College, according to a report today from the college.

Phi Mu and Delta Gamma sororities were second and third respectively in women's ranks, while Tau Kappa Epsilon and Lambda Chi Alpha achieved similar fraternity positions.

Alpha Chi Rho and Delta Gamma pledges placed first in freshmen tabulations.

GIVE REASONS

(Continued From Page 1)

access otherwise would be from W. Confederate Ave. which would be impossible or through the Eisenhower land."

He said a development of "200 or 300 homes" is contemplated in the area during "the next 20 years."

Offers Suggestion
Lock suggested that the Armory could be built at the side of the Deatrick property to provide space for streets. Nixon and Redding said that was "only a last alternative" from their viewpoint.

Nixon and others suggested the Army use Department of Interior land between the state police barracks and the avenue. He said that such an exchange might be possible "because I am afraid if the Army takes this land for a center, thus removing it from taxation, the people of the township will flare up even more and petition against zoning and thus delay the entire zoning program for two more years. And the Department of Interior is as interested as we are in zoning because that's the only way they can get the land they want for the battlefield."

OXFORD, England (AP)—The great timber doors of Britain's most splendid polling booth swung open today to admit learned voters electing Oxford University's new chancellor.

The ancient seat of learning is choosing between Prime Minister Harold Macmillan and scholarly Sir Oliver Franks, former ambassador to the United States and now boss of a British bank.

Oxford gamblers make Macmillan a slight favorite to win one of Britain's most prestigious posts—senior official of the world famous university.

LONDON (AP)—Princess Anne is learning to drive her father's midsize car. The Queen's golden-haired 9-year-old daughter is still driving very slowly and cautiously. But friends report she is shaping up well behind the wheel.

NEW 'TIMES' COMMENDED

The Civil War Centennial Commission has "commended" Leroy E. Smith, publisher, and Robert H. Fowler, editor, of The Civil War Times, upon their publication.

The commendation, signed by Maj. Gen. U. S. Grant III, retired, chairman of the commission, and Karl S. Betts, executive director, states:

"For original and arresting presentation of the episodes of America's supreme national experience, the Civil War of 1861-1865.

"The commission views the role of The Civil War Times as one closely forged to the national intention of bringing to all Americans a profounder appreciation of the men and women of the North and South who bequeathed the estimable treasures of national peace and unity."

Smith is proprietor of the L. E. Smith News Agency and Fowler is a resident of Harrisburg.

CHARGE OPENS LENTEN RITES

A series of special midweek Lenten services for the East Berlin United Church of Christ Charge opened Wednesday evening at Zwingle Church, East Berlin. The charge also includes St. Paul's Church, Red Run. The Rev. William H. Anderman Jr. is the pastor.

Additional services in the series and the speakers will be as follows:

March 9, St. Paul's Church, the Rev. Charles Snyder, Dover; 16, Zwingle Church, East Berlin, the Rev. Dr. Howard Schley Fox, Gettysburg; 23, St. Paul's, the Rev. John Z. Martin, New Oxford; 30, Zwingle, the Rev. Glenn Flinchbaugh, Littlestown.

April 6, St. Paul's, Rev. Clara Settemble, Carlisle R. D. 13, Zwingle, preparatory service, the Rev. Maurice Smith, York; April 15, Zwingle, Good Friday service from noon until 3 p.m. with the pastor and the Rev. Harold Stoudt, East Berlin, officiating. The Rev. Mr. Anderman will preach at return services for each speaker on the same evenings.

PARK FUNDS UP TO SENATE

WASHINGTON (AP) — Money for purchase of additional lands for the Gettysburg, Pa., battlefield park is now up to the Senate.

The Interior Department appropriation bill for the year starting July 1, which provides \$200,000 for this purpose, was passed by the House February 16. Hearings have been concluded by the Senate Appropriations Committee, but there is no way of predicting when the bill will be brought up in the Senate.

The House-passed bill contains \$400,000 for the purchase of additional Civil War battle grounds to be added to national historical parks.

Half of this amount could be used for the Gettysburg park providing local authorities set up zoning regulations to halt encroachment of commercialism.

Gettysburg lost its chance for funds for land purchases in the current fiscal year ending June 30 because local zoning ordinances were not enacted as stipulated by the House Appropriations Committee.

HOSPITAL REPORT

Admissions: Mrs. Earl Robbins, Hanover; Emory Raffensperger, Biglerville; Mrs. Donald Weaver, Littlestown; Roger Walter, Biglerville R. 2; Mrs. Preston Hull, Pen-Mar; Mrs. Richard Fleagle, Thurmont; Mrs. Earl Leatherman, R. 2; Mrs. Robert Gilbert, 216 Chambersburg St.; Mrs. John Coshun, Ladiesburg, Md.; Bernard Stock, 124 N. Stratton St.; Mrs. Thomas Hays, Emmitsburg; David Donges, Gettysburg College; Mrs. John Clark, R. 1; Ruth Mort, Fairfield R. 2.

Discharges: Guy Kohr, New Oxford; Mrs. John Waltz, Littlestown; Miss Stella George, 43 Chambersburg St.; Mrs. Thomas Kuykendall and infant son, Emmitsburg; Mrs. Melvin Gilland and infant son, Fairfield R. 1; Mrs. Donald Little, 33 York St.

Three Properties Are Transferred

Deeds have been filed in the office of the register and recorder for the following property transfers:

Harold E. and Helen G. Bosserman, East Berlin, to Earl E. and Mildred E. Linebaugh, Hamilton Twp., a tract in Hamilton Twp., \$8,500.

Mary H. Goulden, Gettysburg, to Howard H. and Georgianna E. Flickinger, Gettysburg, a lot in Gettysburg, \$7,500.

Mary E. Fritz, Gettysburg, to Garnet O. and Mary C. Newton, York, a lot in Gettysburg, \$4,000.

MISS REINECKER

Miss Patricia Anne Reinecker, daughter of Mrs. Grace Reinecker, Biglerville, was among 90 who were capped at a ceremony held at the Scottish Rite Cathedral in Harrisburg on February 26. Miss Reinecker is a student at the Harrisburg Hospital School of Nursing, Class of 1962. She is a graduate of Biglerville High School with the class of 1959.

Among those attending the capping ceremony were Mrs. Grace Reinecker, Biglerville; Mr. and Mrs. Eugene Howe and daughters, Deanna and Elaine, R. 4; Mrs. R. J. Shaner, Merchantville, N. J.; Mr. and Mrs. George Reinecker, Camp Hill; Mr. and Mrs. Walter Reinecker, Mechanicsburg R. 3; Mr. and Mrs. C. R. Rupp Jr., York; Mr. and Mrs. Robert Mansberger, Gardeners; Mr. and Mrs. John Stover and sons, John and Richard, Arendtsville, and Mrs. Frank Fuller, Merchantville, N. J.

Lynn Lerew, a student at Susquehanna University, Selingsgrove, spent the weekend with her parents, Mr. and Mrs. Harry Lerew, Rensselaerville. Mr. and Mrs. Lerew accompanied him to school Sunday.

David Dull returned Monday to his studies at Penn State University after spending the weekend with his parents, Mr. and Mrs. Clair Dull, Aspers.

The Society of Farm Women of Adams County, Group One, will hold its regular monthly meeting Friday evening at 7:30 o'clock at the home of Mrs. Raymond Bream, Gardeners R. 1.

The Biglerville Service Unit of the Salvation Army has a request for clothing for school girls. They are in need of dresses or skirts and sweaters in size 15 teen-age and dresses, size 36; skirts, size 32; sweaters, size 38; slips, size 32; and shoes, size 7½B. Anyone wishing to donate items is asked to contact Miss Jean Thomas, telephone Biglerville 28.

The Service Unit has several wheel chairs available for use. Anyone desiring to use them is asked to notify Miss Thomas.

The Upper Adams 4-H Electricians will hold their final meeting Friday evening at 7:30 o'clock at the Aspers fire hall.

A special meeting of the Arendtsville Community Fire Company will be held Friday evening at 7:30 o'clock in the social room of the Arendtsville Bank. Contracts for the new fire house will be awarded.

The Cardettes met Tuesday evening at the home of Mrs. Donald Smith, Gettysburg R. 4. Mrs. Merton Eckenrode, who celebrates her birthday this month, was presented a gift, and Miss Ann Heltbride, whose birthday was in January, was recently presented with a gift. The next meeting will be held at the home of Miss Heltbride, Biglerville, April 19, at 7:30 p.m.

Members of the Biglerville Kindergarten visited Mr. and Mrs. George Slaybaugh's Shop on West York St., Biglerville, Tuesday. Mrs. Slaybaugh showed the children her aquariums of tropical fish and spoke briefly on the subject.

Mr. and Mrs. John E. Brown, Arendtsville, have returned from a two-week trip to Florida. They vacationed in Daytona Beach and Lake Worth.

Mrs. C. William Harbaugh of Thomas Brothers Department Store, Biglerville, attended a gift show last week in New York City.

The Biglerville Grange will meet at the grange hall near Heidelsburg Saturday evening at 7:30 o'clock. Following the business meeting they will go to the Upper Adams Lanes to bowl.

The March meeting of Class 3 of the Bendersville Methodist Church has been postponed from this evening until a later date due to inclement weather.

The Young People's Sunday School Class of Trinity United Church of Christ, Biglerville, taught by Robert Olmstead, will hold its regular monthly meeting Saturday evening beginning with a covered dish supper at 6:30 o'clock in fellowship rooms of the church. All young couples of the church are urged to attend.

The congregations of Trinity Lutheran Church and Zion United Church of Christ, Arendtsville, will

join in a series of Union Lenten services which will be held each Sunday evening during Lent. The first service will be held in Zion church Sunday evening at 7:30 o'clock. The theme of the sermons to be delivered by the two pastors, the Rev. Maynard Barnhart Jr. and Rev. Nevin R. Frantz, is "Our Lord—Betrayed, Denied, Condemned, Deserted, Forsaken." Rev. Barnhart will preach the opening sermon this Sunday on the theme "Betrayed By a Friend."

The schedule of the other services is as follows: March 13, Trinity church, sermon by Rev. Frantz, "Denied By a Follower"; March 20, Zion church, sacred concert by the Biglerville High School Choir under the direction of Prof. C. L. Yost; March 27, Trinity church, sermon by Rev. Frantz, "Condemned by Churchmen"; April 3, Zion church, sermon by Rev. Barnhart, "Deserted by Disciples," and the concluding service on April 10 in Trinity church, sermon by Rev. Frantz, "Forsaken by God."

Offerings at all the services will be for the migrant ministry among Negroes in the Upper Adams area.

The Willing Workers Sunday School Class of Bender's Lutheran Church, Butler Twp., held its meeting Tuesday evening at the home of Mrs. John Fidler, Biglerville. Nine members and four guests were present. The president, Mrs. Samuel Noel, was in charge of the meeting which opened with songs appropriate for the season, "Must Jesus Bear the Cross Alone" and "At the Cross." The pastor, Rev. Dr. H. W. Sternat, gave the devotion. At the business period the class voted to give the American Red Cross \$5 and to join the County Home Auxiliary. Mrs. Fidler served refreshments during the social hour which followed the meeting.

TEETER TALKS

(Continued From Page 1)

person must first violate the law, be apprehended and finally must be held by the court to be delinquent. Two million per year are brought to the attention of authorities but only 500,000 reach the courts and only 300,000 of these are held delinquent.

Special Music

Mrs. C. H. Johnson, the president, presided at the meeting with 65 members present. Members of Circle 3 were hostesses. Mrs. Paul Ketterman Jr. conducted devotions. David Greenlund sang two solos accompanied by Theresa Cocklin of Gettysburg College.

Mrs. Mark Johns, sewing and supply secretary, reported the group's assignment for a hospital in Bangkok, Thailand, has been sent. Announcement was made of the World Day of Prayer service set for Friday when used candles for Korea will be collected and of a prayer vigil set for 9 a.m. Friday at the Gilliland home. The spring Presbyterian meeting at St. Andrew's Presbyterian Church in Lebanon on April 1 also was announced.

Miss Ruth McIlhenny, program chairman, introduced District Attorney Teeter whose subject was "Our Youth and Juvenile Delinquency."

Mrs. Johnson presented the architect's proposals submitted by the church's building and renovation committee.

Publicity Agent Is At Allenberry

Richard N. Gage, managing director of the Allenberry Playhouse, Boiling Springs, announced the arrival today of Andy Kuehn, who will act as publicity director for the Allenberry Playhouse for the 1960 theater season.

Kuehn goes to Allenberry from Miami where he was publicity director of Studio M Playhouse. He also worked as public relations director for the Back Room Theater and the Golden Gate Playhouse, was an associate producer with ABC-TV in Miami and worked simultaneously as producer, director and performer on three Dade County radio stations.

As a TV news cameraman, Kuehn worked for all the Miami TV stations as well as for Fox Movietone News. He also spent a year as production manager of a commercial film company.

CHURCH BEQUEATHED \$500

Under the will of the late Howard S. Reigle, McSherrytown, filed in the office of the register and recorder, \$500 has been bequeathed to St. Paul's Lutheran Church, McSherrytown. The remainder of the estate, valued at about \$1,000, was bequeathed to the widow of the deceased, Mrs. Lucy J. Reigle, who was also named executrix.

WILL ADDRESS CLUB

Stanley Rogers, Boy Scout executive, will address the Kiwanis Club at its regular meeting at the Lamp Post Tea Room Monday evening at 6:30 o'clock. Films on Scouting and citizenship will be shown.

FIREMEN TO MARK 75TH ANNIVERSARY

Plans were advanced for the 75th anniversary observance of Alpha Fire Company No. 1 at the March meeting on Tuesday evening at the engine house. It was announced that 250 flyers have been distributed in a four-state area, Pennsylvania, Maryland, Virginia and West Virginia, concerning the anniversary parade on August 6. A general committee was named to secure street banners announcing the anniversary week's celebration to be placed at the main entrances of the community.

President Dennis S. Wallick presided for the session which opened with the group singing of "America" and the Lord's Prayer in unison. Secretary Harry W. Badgers reported. Fire Chief Glenn E. Ohler reported that the company answered four calls since the last meeting, all resulted in only minor damage. The president appointed the trustees to study the company bylaws and present a report and at the same time clarify laws which may be misinterpreted at the April meeting.

Name Steering Committee
Truck Foreman Levi Hull reported that an engineer from the LaFrance Company has been checking the pump on the LaFrance truck and the job will be completed in several days. Fire Chief Ohler reported that the quick-call system is now in operation satisfactorily. Paul E. Altoff, treasurer, reported on the relief fund which has been state audited and listed various laws which govern the fund. Expenditures of the month totaled \$378.87 and receipts were \$125.45. A note of thanks was read from Redeemer's United Church of Christ for kindnesses of the company.

The following were appointed to serve as the 1960 steering committee of the uniform rank: Robert C. Koutz, Jay D. Basehoar, Paul E. Altoff, Glenn S. Kauffman Jr. and Clair J. Redding. It was announced that the next quarterly meeting of the Adams County Firemen's Association will be

"ABOUT HOBBIES"

It's great to a hobby . . . some interesting endeavor . . . once you have come upon it . . . do not leave it ever . . . for hobbies help mankind endure . . . when all else seems to fail . . . there's pleasure in accomplishment . . . that nothing can curtail . . . hobbies are for young and old . . . they fill our idle time . . . giving life a reason . . . polishing its rhyme . . . those who are fortunate enough . . . to find one they enjoy . . . are those who will continue . . . to build and not destroy . . . so find yourself a hobby . . . you'll benefit I know . . . and with each succeeding day . . . your peace of mind will grow.

AT ANNIVERSARY DINNER

Among those attending the golden wedding anniversary dinner for Mr. and Mrs. John C. Shulley at their Orntanna R. D. home on Sunday were the following in addition to those listed previously: R. B. Freeman, Alexandria, Va.; Guy Martz, York, son-in-law; Mrs. J. Albert Shulley, Falls Church, Va., and Mrs. Raymond Shulley, Charming, daughters-in-law.

Only one of the couple's five children was unable to attend. That was Glenn Shulley, who resides with his wife and daughter, Judy Ann, at Breckenridge, Tex.

Mr. Shulley, who is recovering from a serious illness he suffered last fall, is 81. Mrs. Shulley is 78.

Property Transfers

Deeds have been filed in the office of the register and recorder for the following property transfers:

Roy and Esther V. Mickley, Franklin Twp., to Hope H. Morgan, Cashtown, a tract in Franklin Twp., \$13,100.

T. E. Williams, Cumberland Twp., to Joseph L. Jr. and Geneva P. Jarvis, Gettysburg, a tract in Cumberland Twp., \$423.

held with the Conewago Company, Edgegrove, Clair Redding, Donald Cook and David S. Little were named as the new social committee to serve for the next three months. April 5 is the deadline for the payment of 1960 membership dues.

Forty-five members were in attendance. Refreshments were served by Robert King, Ronald Sager and Vernon Reed. The firemen will meet again on Tuesday, April 5, at 8 p.m.

OPEN CRUSADE IN BIGLERVILLE

Dr. Bill Rice, nationally known evangelist from Murfreesboro, Tenn., Tuesday evening opened the 10th annual evangelistic crusade in Centenary Evangelical United Brethren Church, Biglerville. Services will be conducted nightly at 7:30 o'clock through Sunday, March 13.

Dr. Rice spoke to 248 persons on the theme, "Bringing Men to Jesus." Bud Lyles, baritone soloist and song leader from Wheaton, Ill., sang "It's in My Heart" and "Don't Go Away Without Jesus."

Born and reared in the cattle country of West Texas, Dr. Rice was breaking wild horses at the age of 13. Orphaned in his teens, he worked his way through Baptist College in Texas and Moody Bible Institute in Chicago. He has conducted evangelistic campaigns from coast to coast and overseas.

In 1953 Dr. Rice made a tour through Africa and the Near East. In Africa he preached among the pygmies and helped missionaries to establish one of the few pygmy churches. He was one of the last Americans to visit the late King Abdullah of Palestine before the monarch was murdered. The "Bearded Lion of Judah" gave Dr. Rice two of his finest Arabian horses.

Dr. Rice serves on several mission boards, edits a Christian cowboy paper called "The Branding Iron," manages a summer conference with a specialized ministry for deaf children and young people, conducts a weekly radio broadcast and is author of several books and gospel songs.

Because their oldest daughter was deafened by meningitis, Dr. and Mrs. Rice began studying sign language and with contributions established a summer camp for the deaf. Cafes, hotels, a tabernacle and dining hall have been erected. Last summer deaf children and young people from 19 states came to the ranch for weeks of fun, fellowship and Bible instruction. A wooded Christian Retreat on the Rice ranch near Murfreesboro is becoming one of the largest summer conference grounds in the south.

Destructive

(Continued From Page 1)

pounded northeast Alabama and northern Georgia. Sleet and snow glazed Arkansas highways and streets and snowfalls measured up to a half foot in Tennessee and Kentucky.

Heavy Woodland Damage
Damage to pine forests in south Arkansas was estimated at several million dollars. Forestry officials placed damage to woodlands in Louisiana alone at a million dollars.

National guardsmen were called for emergency duty in Calhoun, a city of about 7,000 in northwest Georgia, which was without power or telephone service. A state of emergency was declared in a residential area of Huntsville, Ala., where the mayor said it was impossible to maintain utility service. Nearly 2,000 residents of outlying sections of Gadsden, Ala., were forced to leave their homes after ice storms broke power lines supplying their houses.

Ice Hits Atlanta
Florida was out of the stormy weather picture, with clear skies and temperatures in the 60-70 plus degree range.

Eight inches of snow fell in Kansas City, making a covering of 13 inches on the ground. All of the city's schools and libraries were closed today.

A heavy ice storm hit Atlanta, virtually halting travel for a time. The Georgia Highway Patrol said there was no highway travel west, north or east of Atlanta, cutting off the state entirely by land from Tennessee, South Carolina and parts of Alabama.

MUSEUM HOURS

The spring tourist season is beginning, according to announcements from various museums. The Cliff Arquette Soldiers Museum is now open daily from 10 a.m. to 5 p.m.; the Diorama from 9 a.m. to 6 p.m. Other museums are planning regular hours after the winter months. The National Museum is open all year round with the exception of Christmas Day.

SUPERVISOR IMPROVES

Glenn Jacobs, Reading Twp. supervisor, continues to improve following a recent illness. He was stricken while attending a committee meeting of the Pennsylvania State Association of Township Supervisors in Harrisburg last December. He is recuperating at the home of his son and daughter-in-law, Mr. and Mrs. John Jacobs, near Five Points.

Named Manager Of Summer Camp

The board of directors of Camp Michaux, Inc., has announced appointment of George Baker, Taneytown, as the new manager for summer operation. He succeeds Charles Adams, Charleston, W. Va., who resigned at the close of the 1959 camping season.

Camp Michaux is operated by the Presbyterian and Evangelical and Reformed Churches. Campers attending the camp come from the Synod of Pennsylvania, United Presbyterian Church, and the Mercersburg and Potomac synods of the United Church of Christ. These two denominations have shared equally in the maintenance and use of the camp since 1947. More than \$20,000 has been invested by these two groups in making this camp, located in the Appalachian and Sunset trails.

During the 1960 camping season the Presbyterian Church will conduct 10 one-week camps for children and the United Church of Christ will conduct 13 camps.

92 SCOUTERS AT SESSIONS

Ninety-two attended the University of Scouting sessions Tuesday night at Gettysburg High School for adult leaders of the Black Walnut and Conewago Boy Scout Districts.

Donald Carver, training chairman for the Black Walnut District, introduced Charles Bright, Conewago district field executive, and Stanley C. Rogers, Black Walnut District field executive, for brief talks at a general session held before the group divided into three sections for the instruction.

Roland Kime, Cubmaster of Pack 79, assisted by Lyndale Brandon and Mrs. Ruth Wright presented instruction on the organization and operation of the den at the Cub Scout section.

Thomas Jackson, Scoutmaster of Troop 76, Fairfield, was in charge of instruction on "outdoor activities" for the Boy Scout leaders session. He introduced a number of Shippensburg Scouters who gave the following instruction: Leon Bigler, "A Boy's Personal Equipment and How to Prepare It"; D. J. Jackson, father of Thomas Jackson, "Methods of Food Storage"; Fred Ramsey, "How to Select a Camp Site," and Robert Lindenhuth, "How to Use Tools."

James Hahn, Littlestown, Post 84 advisor, was in charge of the Explorer session on "The Exploring Program." He showed slides of a trip by the Littlestown Explorers to the Thousand Islands last year and described how the event was planned and carried out.

Littlestown

BEST ESSAY SUBMITTED IN A. L. CONTEST

The essay, "The Role of the Student in Government," written by Miss Jacqueline Morelock, a junior at the Littlestown High School, has been submitted in the Adams County contest. The annual contest is sponsored by the American Legion. Miss Morelock is the daughter of Mr. and Mrs. Monroe G. Morelock, 39 W. Myrtle St.

The Mardi Gras Ball, sponsored annually by the Eta Tau Chapter of the Beta Sigma Phi sorority, will take place on Saturday night at 9 o'clock at Bankert's Restaurant and Recreation Center, N. Queen St. Music will be by Bud Codori and his orchestra, Gettysburg. General arrangements are in charge of Mrs. Harold R. Hand and Mrs. Clyde W. Crouse heads the decorating committee.

Mrs. Alvin J. Groff, W. King St. Ext'd., was hostess to the Alta Hummer Organization of the United Lutheran Church Women of St. John's Lutheran Church for the March meeting on Tuesday evening. Mrs. Dale W. Starry, leader, introduced the topic "Missions In The Bible," and the members in attendance took part in the discussion which followed. Routine business was transacted in charge of Mrs. Edgar A. Wolfe, president. Plans were made to participate in the community World Day of Prayer service on Friday at 7:30 p.m. in St. Paul's Lutheran Church. During the social hour, refreshments were served by Mrs. Groff and Mrs. Harry O. Harner. The date and place of the April meeting will be announced later.

Plan On Devotions
At a recent meeting of the Student Council of the Littlestown High School, it was decided that each Wednesday morning during Lent the opening devotions will be conducted from the administrative office over the school's intercom system by members of the faculty. The Ash Wednesday devotions were in charge of Paul E. King, supervising principal. Next Wednesday, devotions will be conducted by Frank E. Basehoar, high school principal.

The public is invited to attend the annual World Day of Prayer service on Friday at 7:30 p.m. in St. Paul's Lutheran Church. The community service will be in charge of the Women's Missionary Society of St. Luke's Union Church, near White Hall. Also participating will be the missionary groups from St. Paul's Church, St. John's Lutheran Church, Centenary Methodist Church, Christ

Historians Ponder 3 County Names

The Adams County Historical Society Monday night raised some questions which were unanswered. "Why are Mt. Tabor and Mt. Carmel so named, and more particularly where did Zora get its name?"

Arthur Weaver, reporting on a query concerning Biblical names in the county, suggested that Mt. Tabor and Mt. Carmel received their names from churches, although that did not answer the question of why the particular names were chosen.

Zora however is a Biblical name meaning little or small. Weaver posed the theory that "some wag had gone to church, learned the meaning of the word and applied it to the section and it stuck."

But the historians are hopeful someone can come up with the factual answers on how the sections received their name.

United Church of Christ, and Redeemer's United Church of Christ. The worship theme will be "Laborers Together With God."

Events Announced

The weekly public party will be held by St. Aloysius Catholic Church on Saturday at 8 p.m. in the parish hall. Prizes will be awarded and refreshments will be available. Stations of the Cross and Benediction of the Blessed Sacrament will take place in St. Aloysius Church on Friday at 2:30 and 7:30 p.m.

The Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie 2226, will sponsor a public party tomorrow evening, starting at 8:30 p.m. in the social room of the FOE Home, W. King St.

The Brownies of Troop 61 worked on window display items at the meeting on Saturday morning at the engine house. For Girl Scout Week, the troop will arrange a display in the window at the DeKalb store on E. King St. At the meeting, each girl drew a map of her neighborhood. It was announced that the Brownies will meet on Sunday at 10:15 a.m. at tend the worship service in a body. St. Paul's Lutheran Church to at the leaders requested that each girl planning to attend the Juliette Low Rally at the Gettysburg High School on March 12 bring a parent signed permission slip and a dime for insurance along to the regular meeting on Saturday at 10 a.m. at the engine house.

PHILADELPHIA (AP)—Eight Catholic hospitals will resume contract negotiations with Blue Cross next week. The eight hospitals withdrew from Blue Cross Jan. 7 in a dispute over a formula for reimbursing hospitals for patient care. Their present contract expires March 31.

ANTIQUE SHOW PLANNED

The Gettysburg Area Antique Dealers Association met Monday night at Weisensale's Antique Show, Hanover, to discuss plans for the annual antique show. The event will be held Sept. 22, 23, and 24 at Bankert's Restaurant, Littlestown. John Byers was named

general chairman with Maxwell Barrish in charge of advertising, Mrs. Elmer Dillman program, and Joseph Weisensale tables.

Philadelphia's Dave Philley set a pinch hitting record by hitting safely in nine straight games last season.

The Gettysburg Times

Twenty Years Ago
Eight Grader Wins Spelling

Bee; Her Father 2nd: An eighth grade girl from the Lincoln School building won a public spelling bee which was conducted Friday evening at the Y.W.C.A. building by the Annie Danner Club. The last person she "spelled down" was her father, who took second prize.

The winner was Miss Gladys Smith, whose spelling record at school shows nothing but "100 per cents." Runnerup was her father, Luther Smith, Hanover Street. Third best speller was Miss Martha Lentz.

100 Attend 1st F.F.A. Banquet At Biglerville: The members of the Future Farmers of America of the Biglerville High School held their first annual Father-Son banquet Thursday evening in the school auditorium with approximately 100 men and boys in attendance.

Donald Wenk, president of the group, acted as toastmaster. The meeting opened with the singing of "America," followed by the invocation by the Rev. Henry W. Starnat, Cecil R. Snyder, head of the department, gave the address of welcome. Robert Mansberger gave a short talk on the history of the chapter and Donald Weaver, vice president, told of the trip made by the boys last year to the New York World's Fair. Richard C. Lighter, county vocational agriculture supervisor, talked on "The Meaning Of The F.F.A. Emblem." Boyd Walker, a member of the F.F.A. group, talked on "Learning Fruit Growing In High School."

February Warmer Than January: Snowfall Greater: February weather in Gettysburg was in sharp contrast to the preceding month when a 22-year record for fogginess was set. Last month was much warmer than normal.

It also was one of the few months in the last year and a half that had more than its quota of precipitation. The average temperature for the month of February here was 33.7 degrees, more than two and a half degrees above normal for the month. January's average was far below freezing and nearly eight degrees below normal.

Beekkeepers Of County Rename Three Officers: The Adams County Beekkeepers Association re-elected its officers at the annual meeting held Wednesday evening at the courthouse.

Forrest Bream, gardeners, was re-elected president; E. H. Sachs, Biglerville, vice president, and County Agent M. T. Hartman, secretary-treasurer.

Six Generations Of Family Range In Age From 87 Years Down To 23-Day-Old Boy: Families in which representatives of five generations are living are generally regarded as unusual, but one Gettysburgian heads a family in which there are six generations alive today.

With the birth of a great-great-grandson of Mrs. Mary Herr, 252 South Washington Street, on February 5, a day after an uncle of the infant was born, the sixth generation of Herr descendants began.

Here's the way the six generations line up in the family: Mother: Mrs. Mary Herr, widow of Ephraim Herr, who resides on South Washington Street. She is in fairly good health for her 87 years. Her next birthday comes in April; Daughter: Mrs. Alice (Herr) Bollinger 71, who lives a mile east of Gettysburg along the Hanover Road; Granddaughter: Mrs. Earl (Bollinger) Fite, 50, Baltimore; Great-granddaughter: Mrs. Charles (Fite) Wetzel, 33, Emmitsburg; Great-great-granddaughter: Mrs. Daniel (Wetzel) Andrews, 16, near Emmitsburg; Great-great-great-grandson: Robert Daniel Andrews, aged 23 days, near Emmitsburg.

Today's Talk

YOUR BEARING
The stamp of what you are stands forth so plainly that your bearing tells about your life in silent facts.

And it is the manner of your bearing during every emergency of value that measures your ability to face all things bravely and well.

The world is little interested in your personal, inside history; but it is tremendously interested in what shines and radiates from it. And it is largely your bearing that reveals you in this way.

So, then, why not a bearing of smiles and strength-of happy concord-of courage?

The way you bear yourself influences yourself and makes you so much surer in your fine influence over other people.

Lincoln, bearing at Gettysburg, expressed in the handful of simple words that have long become sacredly classic, is an example of the kind of bearing the world most needs.

Many will remember you from your bearing alone. Many words are soon forgotten when not back by a bearing of action! Here's hoping that your bearing may always be joyous and right, and that it may lead you where happiness grows.

Tomorrow Mr. Adams will talk on the subject: "Be a Seeker!" Protected, 1960, by The George Matthews Adams Service

Just Folks

THE PEOPLE
No one has yet devised a way, with all the new corrections, to get the people out to play their part in spring elections.

With horror they will stand and note

The way the gang controls Affairs, but when it's time to vote They don't go near the polls.

They talk of men they should elect,

Fine phrases ever quoting, And on election day neglect The simple task of voting.

The people are a funny lot However you arrange 'em; They hate conditions here, but not

Enough to vote to change 'em. Protected, 1960, by The George Matthews Adams Service

Western Pennsylvania, western New York and West Virginia—Temperatures will average 3-7 degrees below normal. Cold throughout the period, but some warmer temperatures in the south Friday and warmer about Monday. Precipitation Thursday and Friday and again about Monday may total from a half to one inch.

PLANS TO RETIRE

G. C. Chronister, New Oxford R. 2, plans to retire in the near future as body builder for the U. S. Naval Depot, Mechanicsburg, where he has been employed for a number of years. He has also operated a service station and store at his home. Upon retirement he plans to devote some of his time to constructing new houses. He has served one term as Democratic committeeman and a number of years as Hamilton Twp. constable.

KABUL, Afghanistan (AP)—Soviet Premier Nikita Khrushchev arrived by plane from Calcutta Wednesday for the final stop of his three-week South Asian tour. King Mohammed Zahir Shah

5 Delegates Selected By Legion Women

Five delegates to the next four-county council meeting of the American Legion Auxiliary were appointed by Mrs. Elmer Dillman, president of the Gettysburg branch, at a regular meeting on Monday evening at the Albert K. J. Lentz post home on Baltimore Street.

The delegates are: Mrs. John Sheffer, Mrs. Frank Deardorff, Mrs. Ella Howard, Mrs. Roy Fridinger and Mrs. Emma Mundorff.

Kugler Named To N.Y.A. Post

J. Walter Kugler, Liberty Township, has been appointed temporarily to take over the duties of the late Clyde L. Bream as field supervisor of National Youth Administration projects in Adams and Cumberland Counties. Mr. Kugler is a former Liberty Township school teacher, justice of the peace and for several years was superintendent of maintenance for the State Department of Highways in Adams County.

SAYS CHILDREN WANT ADULTS TO MAKE RULES

By BILL GIBSON
HARRISBURG (AP)—Children are tired of being pals with their parents, state officials reported today. The youngsters want adults to assume the responsibility for giving guidance.

Without adult guidance, the officials said, the children feel lost and uncertain.

"They want the right to suggest, but they want adults to make the decisions," said Mrs. Lorna Sylvester, executive director of the Governor's Coordinating Committee on children and youth.

Opinion Of 30,000

Mrs. Sylvester said this is the opinion of some of the 30,000 young people in Pennsylvania who are actively working toward the Governor's Conference on the White House Conference on Children and Youth.

More than 1,500 persons are expected to attend the state conference here to develop recommendations for the national conference at Washington March 27-April 2.

"Their emphasis is on the strengthening of family life and better leadership from their religious leaders," Mrs. Sylvester said.

Need More Guidance

"They need clearer definitions from adults on what is expected of them... what code of moral ethics they are expected to follow," she added.

Mrs. Sylvester and Richard Farrow, director of youth services, Public Welfare Department, agreed that many parents had lost confidence due to tremendous changes in the way of life such as the replacement of the one-room schoolhouse with huge jointure schools within one generation.

"Children want an orderly process around them when they are growing up," Farrow explained. "When it is not provided they wander."

The industrial explosion, the mass move to suburbia, the general mobility of the population, television and other changes were included in Farrow's explanation of the changes in the way of living.

Cause Of Cranberry Fuss Drinks Juice

MEXICO CITY (AP)—The man who started all the fuss about tainted cranberries says he feels so sorry for the growers "I now drink cranberry juice for breakfast instead of tomato juice."

Dr. B. T. Shaw of the U.S. Agriculture Department disclosed this at a reception Tuesday night where he was honor guest. It was Shaw who first noted that parts of the 1959 cranberry crop from Oregon and Washington were contaminated by a weed killer that can produce cancer in rats.

Shaw said there was no doubt the weed killer was being used improperly but he did not believe it was dangerous.

"Tests proved that a person would have to eat 350,000 pounds of cranberries a day to endanger himself to cancer," he said.

DALLAS, Tex. (AP)—Tom Rayburn, 72, brother of House Speaker Sam Rayburn, died Tuesday night at Baylor Medical Center. Tom Rayburn, a farmer at Bonham, Tex., had undergone an operation for an intestinal stoppage. He was in the hospital about nine weeks.

Speaker Rayburn and Mrs.

greeted Khrushchev at the airport, hailing his visit as another step to strengthen good will between neighbors.

Khrushchev replied that Soviet-Afghan relations provided the finest example of coexistence between states with different political and economic systems. He added that the Afghan policy is a positive force for peace.

Van Rie Is Freed Of Murder Charge

BOSTON (AP)—Willem van Rie was acquitted Wednesday of a murder charge in the death of Lynn Kauffman.

The all-male jury took the case at 5:42 p. m. EST Tuesday and returned its verdict at 9:13 a. m. The judge had given the jurors six verdicts from which to decide. They ranged from first degree murder to acquittal.

Van Rie stood up in the prisoner's box and thanked the jurors. His wife, Nella, 31, burst into violent sobbing. She wiped her eyes with a handkerchief.

Judge Frank J. Murray then discharged the defendant.

Letter To The Editor

March 1, 1960

Dear Sir: What can be done to make our thorough cleanup more practical and more helpful to the taxpaying householder? I see that it is being started even earlier this year—in fact, next Tuesday.

How can a collection of brush in winter time be a crying need? Only brush left uncollected from last fall can be of concern, as bushes are not pruned until June at the earliest (if we desire any blooms) and what escaped notice of last year's pruning is now pretty well frozen solid, as are ashes!

Spring housecleaning indoors may start with the cupboards before long. The one accumulation where a collection might now help is that of bottles, tin cans, etc., to which winter always adds most heavily. But for some reason they are not to be removed at all.

I am sure that our town would be better served by a general collection no earlier than late June or July; and, if it could be managed, another in late October.

Very truly,
One much interested
(Name omitted by request)

Probe Communist Roles In Churches

COLLINGSWOOD, N. J. (AP)—The American Council of Christian Churches said Wednesday seven of its executive committee members representing 5,000 Protestant churches are seeking an investigation of alleged Communist infiltration of American religion.

In a prepared statement the council said the church leaders Tuesday wired Rep. Francis E. Walter (D-Pa.), chairman of the House Un-American Activities Committee, urging a full-scale investigation.

The telegram, a copy of which was released to newsmen, said in part:

"Refusal of leaders of (the) National Council of Churches to accept your invitation to appear before (the) House Committee on Un-American Activities constitutes an affront to Congress."

"Their irresponsible attacks upon material in (the) Air Force manual reflect directly upon (the) truth your committee had presented to Congress concerning communism in religion."

Tom Rayburn was at his bedside when he died.

HANDICAPPED AMERICAN OF YEAR CHOSEN

By EARL AYKROID
CHICAGO (AP)—"Neither pensions, charitable assistance nor pity can substitute for the sweet dignity of a productive life."

So says handsome Dwight D. Guilfoil Jr., crippled 37-year-old executive named "Handicapped American of the Year" by the President's Committee on Employment of the Physically Handicapped (PCEPH).

Guilfoil, father of seven, directs the operations of the Paraplegics Manufacturing Co., Franklin Park, a Chicago suburb, from a wheelchair to which he has been confined since 1943.

To Get Citation

On May 5 President Eisenhower is to present Guilfoil an award at a meeting of the PCEPH in Washington. The citation is for outstanding help given by Guilfoil to scores of physically handicapped despite his own impairment.

An aerial photographer for the Air Force in World War II, he suffered spinal meningitis and polio in service and spent two years in a hospital. Confined to a wheelchair he found it impossible to obtain employment.

In 1950, Guilfoil and about 60 other paraplegics decided to pool their resources and set up their own business.

100 Workers Now

"We decided from the start that we were not going to weave rugs or make baskets, or indulge in any of the usual workshop enterprises," Guilfoil says.

The group founded Paraplegics

Manufacturing Co. in a one-story factory building in suburban Franklin Park. The firm assembles mechanical, electrical and electronic parts.

Guilfoil became president of the company.

Today the company has about 100 workers. Only two are not handicapped. Most of the others work from wheel chairs.

In addition to paraplegics, there are the blind, polio victims, amputees, cardiacs, the deaf and mute, and a number with progressive disabilities such as muscular dystrophy and multiple sclerosis.

With the exception of 1954 and 1955, the company has shown a profit each year. The last several years it has paid dividends on its stock, most of which is held by employees.

Guilfoil says the company now is doing a \$750,000-a-year volume of business and expects to reach a million by the end of this year.

"Charity can be a form of slavery," the executive says. "The overwhelming majority of physically handicapped men and women want freedom from charity and the opportunity to develop their abilities to the end that they become self-supporting."

Quigley Offers New Lunch Bill

WASHINGTON (AP)—Schools now participating in the school lunch program also would be permitted to make use of surplus foods in home economics classes under a bill offered today by Rep. James M. Quigley (D-Pa.).

Quigley said no additional personnel or money would be required to operate the extended program, now limited to school lunches and needy families.

He said the suggestion for the legislation came to him from Mrs. Emerson Tower, a Spring Grove, Pa., home economics teacher.

Manufacturing Co. in a one-story factory building in suburban Franklin Park. The firm assembles mechanical, electrical and electronic parts.

Guilfoil became president of the company.

Today the company has about 100 workers. Only two are not handicapped. Most of the others work from wheel chairs.

SPORTS

Nichols On SP All-Star Cage Squad; Furney Is Second Team Selection

An all-senior squad, none of whom reach the six-foot mark, has been selected by the South Penn Sportswriters' and Sports-casters' Association, and school coaches, to the all-star outfit of the South Penn Basketball League.

Hardy Nichols of Gettysburg High was selected to the first team and his teammate, Bob Furney, was chosen for the second team. Nichols finished fifth in the league scoring with 128 points while Furney was ninth with 112.

Jim Heilman, Hanover's hustling forward, was the only unanimous choice for the first team, polling the maximum of 60 votes. Heilman was the league's top scorer with 187 tallies. As the result of his high vote total he is the honorary captain of the dream team.

Chambersburg Dominates

Chambersburg gained two first team selections, Leon Rideout and Jim Schlichter being selected from the unbeaten league champions.

Completing the first team is Bob Stoops, Waynesboro, who finished second to Heilman in scoring with 157 points.

Chambersburg also dominated the second team by placing Tom Wertz and Mike Tolbert on that squad. The fifth Trojan starter, John Walker, gained honorable mention.

Jack Frantz, Biglerville, was among those given honorable mention. Frantz tabbed 106 points for the Cannons who participated in the league for the first time during the past season.

Participating in the balloting were sportswriters of five area newspapers, three radio stations and five of the six coaches. Coaches voted only for all-opponent teams while the scribes and broadcasters voted for first and second teams.

WILL PLAY IN YORK TOURNAMENT

St. Francis 7-8th grade basketball team has accepted an invitation to play in the York CYO Grade School Invitational Basketball tournament to be held March 10, 11, 12 and 13 on the Old York Catholic High School floor.

Teams, besides St. Francis, having already accepted bids to play, are St. Mary's (Lancaster), Annunciation of B.V.M. (McSherrytown), St. Patrick's, St. Rose of Lima, St. Joseph's, St. Mary's, all of York.

The tournament will have a loser and winner bracket with each team assured of two games. In preparation for tournament play, St. Francis came through with two victories over the past weekend, avenging an early season loss to St. Patrick's, York, winning 26-24 on Saturday and coming back on Sunday to defeat St. Patrick's, Carlisle, 39-16. This ran the team's seasonal record to 14-3.

HERSHEY FAILS IN OVERTIME

By THE ASSOCIATED PRESS

The Rochester Americans have served notice that they are going to be tough to dislodge from second place in the American Hockey League.

Threatened with the loss of the runner-up spot Wednesday night, the Americans whipped the third place Buffalo Bisons 3-1 and increased the gap to three points.

Bob Nevin and Pat Hannigan scored late in the third period for the victory after Buffalo had tied the score early in the finale on Eddie Kachur's goal. Until Kachur blinked the red light, Rochester held the lead by virtue of Dick Van Impe's second period goal.

Cleveland and Hershey hooked up in a rough and tumble sudden death overtime affair with the Barons emerging victorious 3-2 and advancing within one point of Buffalo. Greig Hicks set up Don Hogan for the game winner at 6:11 when he stole the puck deep in the Hershey zone.

Giles Boisvert, Cleveland goal tender, had only 14 saves in a game in which a total of 50 minutes in penalties was called. In one of two fights, Cleveland's Bill Shervitz and Hershey's Ron Hurst were tossed out of the game.

DONOVAN SIGNS

SARASOTA, Fla. (AP) — Right-hander Dick Donovan, who had a 9-19 pitching record last year, has signed his 1960 contract with the Chicago White Sox, but pitcher Bob Shaw has joined the baseball contract revolt. Shaw, who won 15 of 24 last season, Wednesday followed center fielder Jim Landis in new salary demands.

HILLTOPPERS AND FALCONS ON NCAA LIST

By DON WEISS

Associated Press Sports Writer

Colorful Ed Diddle's Western Kentucky Hilltoppers and Maj. P. Bob Spear and his young, eager Air Force Falcons are teams No. 14 and 15 for the fast-filling 25-team NCAA basketball tournament today. By nightfall, St. Joseph's of Philadelphia probably will have joined the list.

The Air Force, making its first NCAA appearance, accepted an at-large invitation Wednesday while the Falcons were rolling up their 12th victory in their last 16 games, 65-58 over Regis, Western Kentucky, in the tournament for the first time since 1940, wrapped up the Ohio Valley Conference championship and an automatic berth in the NCAA showdown with an 83-69 romp over East Tennessee State.

At the same time, St. Joseph's set up its probable selection as the Middle Atlantic Conference representative to the tourney by clinching the M-A university division title in a 78-66 victory over Lafayette.

The night's developments left the NCAA with eight at-large teams, NYU, Miami of Florida, Notre Dame, Navy, Idaho State, Air Force, DePaul and Air Force, and with seven conference representatives determined—Ohio U. of the Mid-American, Georgia Tech of the Southeastern, Ohio State of the Big Ten, West Virginia of the Southern, Texas of the Southwest, Western Kentucky of the OVC and New Mexico State of the Border.

The eventual Ivy League winner (Princeton currently leads) gets one at-large berth while the NCAA will pick Sunday between Oregon and Oregon State and Southern California and UCLA for the two others.

North Carolina and Wake Forest are favorites in the Atlantic Coast Conference tournament opening a three-day run in Raleigh, N.C. today to pick the ACC's champ and team for the NCAA. Conference races still undecided are the Missouri Valley, where Cincinnati has clinched at least a tie; the Big Eight, where Kansas and Kansas State are tied with one game to go; the West Coast Athletic Conference, where Pepperdine has clinched at least a tie; the Skyline, where Utah leads Utah State by a game with two games to go; and the Yankee, where Connecticut is 7-2 with one to go and Maine 6-2 with two to play.

Rocky Colavito To Get \$35,000

TUCSON, Ariz. (AP) — Rocky Colavito, Cleveland's home run hitter, has turned in a signed contract for a reported \$35,000.

Colavito, who hit 42 homers last year and batted in 111 runs, grudgingly agreed Wednesday to an increase of approximately 25 per cent. He reportedly received \$28,000 last season and had been holding out for an estimated \$40,000.

Before leaving his Temple, Pa., home Wednesday Colavito said he was not happy with the contract but that he decided to accept the terms. He did not elaborate.

MORE RECORDS BY ROBERTSON

By THE ASSOCIATED PRESS

An 80-point burst in his last two games has just assured Cincinnati's great Oscar Robertson of two more scoring achievements in major college basketball—his third straight national scoring title and an all-time career average record.

With two more regular season games to go, and up to four tournament starts, Robertson has 841 points and a 35.0 average for a comfortable lead over St. Bonaventure's Tom Stith in the scoring race.

In his career, Robertson has averaged 34.2 and, according to statistics of the NCAA Service Bureau in New York, needs to average only about 10 points a game to break the all-time career average of 32.5 set by Furman's Frank Selvy in three seasons ending in 1954.

On the team level, Ohio State remains first in offense with a 92.3 average, and California in defense with 48.1.

RODRIGUEZ BEATS VEJAR; WANTS JORDAN

MIAMI BEACH, Fla. (AP) — Luis Rodriguez had no sooner finished thumping Chico Vejar when he raised a new clamor for a welterweight title bout with Don Jordan.

"Why should Kid Peret fight Jordan instead of me?" the 21-year-old Cuban flash asked in his dressing room. "He's fourth-ranked challenger and I'm first-ranked."

No one was offering any rebuttal, least of all the veteran Vejar, who lost a unanimous 10-round decision to Rodriguez Wednesday night at Miami Beach Exhibition Hall.

"He has the fastest pair of hands of any man I've fought," Vejar said. "I think he'll go a long way in either welterweight or middleweight classes."

Vejar, 28, from Stamford, Conn., weighed 154½ and Rodriguez 149½ for their bout.

Rodriguez decked Vejar for a five-count in the sixth round and staggered him in the fifth, seventh and ninth cantos.

No Shouting By A's After Losses

WEST PALM BEACH, Fla. (AP) — The Kansas City Athletics new manager says there will be no place on the club for players who don't have a strong aversion to losing.

"When we win a ball game I want our players to live it up and have all the fun they can in the clubhouse," Bob Elliott said Wednesday.

"But after we lose a game I don't want to hear any singing, shouting or even any loud bubble-gum popping. I want the players to come in, get their showers and be on their way."

The A's finished 1959 in second division.

LAKERS MAY CLINCH BERTH

By THE ASSOCIATED PRESS

Minneapolis can complete the National Basketball Assn. playoff picture tonight by defeating Cincinnati in the first game of a doubleheader at Philadelphia.

The Lakers clinched a tie for third place in the Western Division Wednesday night by downing the New York Knicks 123-113 as Elgin Baylor tossed in 48 points. Cincinnati must win all of its remaining three games while the Lakers drop their five tie for the last playoff spot.

Boston's Celtics turned on all of their finesse to whip the Philadelphia Warriors 133-119 in the nightcap to the Lakers - Knicks game. Philadelphia's Wilt Chamberlain was the high scorer with 39 points.

The Detroit Pistons turned in a 116-100 victory over the St. Louis Hawks in a game between the two top Western Division clubs.

WAGNER, PAUL BEAT 11 FOES FOR 4TH TITLE

By JACK HEWINS

VANCOUVER, B.C. (AP) — Togetherness — a one-word description of their skating brilliance — brought a fourth world pairs figure skating championship Wednesday night to Canada's Barbara Wagner and Robert Paul.

Fresh from victory in the Winter Olympics, the shy young duo from Toronto defeated 11 other couples to retain their world crown.

Their triumph was nearly overshadowed by the smashing performance of another Canadian pair, Maria and Otto Jelinek. The Jelineks had finished fourth in the Olympics, but Wednesday night the judges applauded their five-minute stint with marks nearly as high as those given the champions.

Following the Jelineks in third place was West Germany's top duo, Marike Killius and Hans-Jürgen Baumer, who had taken second in the Olympics.

Here's Competitions Today

Start of competition in men's singles is on today's program in the 5-day 1960 world championships, which end Saturday. Seventeen entrants will skate three compulsory figures. A second round of three is scheduled Friday.

Donald Jackson of Canada and Alain Giletti of France have been installed as co-favorites.

On the program tonight is the final competition in women's singles. Carol Heiss of New York City, Olympic and defending world champion, has built up a wide lead in skating compulsory figures.

When these were completed Wednesday by the field of 24 women, Miss Heiss had 939.9 points and Skoukie Dijkstra of The Netherlands was second with 904.8. Barbara Ann Roles of Los Angeles was third.

SAY TED MAY BE MANAGER

SCOTTSDALE, Ariz. (AP) — Is there a managerial job in Ted Williams' future?

Speculation rippled through spring training camps today on the heels of the announcement the 41-year-old slugger, last of the 400 hitters, will serve as part-time batting coach for the Boston Red Sox.

After a conference with General Manager Bucky Harris, field boss Billy Jurges called a press meeting Wednesday to announce the assignment for Williams "in addition to his regular chores."

Ted, bothered by a painful neck ailment for a full year, said he doubted if he could play when he reported to camp Monday. However, he admitted he felt better Wednesday, ran hard, poled a couple of drives over the right field wall and barked:

"I didn't come out here to be a pinchhitter."

DOG SHOW MARCH 19

HARRISBURG — The Harrisburg Kennel Club's silver anniversary All-breed Dog Show will be held at the State Farm building on March 19.

ADVERTISE IN THE TIMES

YOST ELECTED NEW SP HEAD; MAKE AWARDS

Charles Yost, Biglerville, was elected president of the South Penn Athletic Conference at a meeting Wednesday evening at the Peace Light Inn. He succeeds Ray Gray, Hanover.

Clifford B. Snowberger, Gettysburg High School principal, was chosen vice president, and Richard H. Brubaker, Hanover, was re-elected as secretary-treasurer.

Considerable discussion was held on the expansion of the six-team league following a report of the expansion committee composed of Paul Shull, Waynesboro; Robert Beard, Chambersburg, and Yost. In making a report for the committee, Yost said that more time was needed by schools contacted to make their decisions and action was tabled until a meeting to be held by conference principals late in April.

There was also talk of expanding with Class B teams which would require a point system to be established. If expansion results, the constitution and bylaws would have to be revised.

Track Meet At Carlisle

The annual South Penn Conference track meet will be held at Dickinson College, Saturday, May 14, it was announced by Ken Miller, Carlisle, chairman of the track committee.

The switch from Gettysburg College became necessary due to the Middle Atlantic meet which will be held here May 13 and 14.

Gray, retiring president, presented the varsity trophy to Lowell Schlichter, Chambersburg coach, and the junior varsity trophy to Salvatore Russo, Chambersburg's jayvee coach.

Basketball officials for next year were approved and football officials' fees established.

Attending the meeting from Gettysburg High School were Snowberger and George Forney. Biglerville was represented by Yost, Bernie Thrush and Roderick Laird. All schools were represented.

VET, ROOKIE SEEK PHILLIES 3RD BASE SPOT

CLEARWATER, Fla. (AP) — Veteran Al Dark and rookie Jim Woods of the Philadelphia Phillies are answering Manager Eddie Sawyer's call for a third baseman.

Dark, 37, has the experience. He's proven himself with other major league clubs.

Woods, 20, hasn't played an inning of major league ball. Both came to the Phillies from the Chicago Cubs in the winter trade for outfielder Richie Ashburn. Both are right-handed hitters.

The third base slot last year was one of the sore spots defensively in the Phillies' infield. Gene Freese filled it most of the time but he was traded to the Chicago White Sox.

Dark is determined to win the position. "The only thing on my mind is getting ready to play as much as I can—the whole 154 games," he says.

The Comanche, Okla., native, who also has seen service with the old Boston Braves, New York Giants and St. Louis Cardinals, batted .264 with the Cubs in 136 games last year. He hit six home runs and batted in 45 runs.

Woods, a pitcher-outfielder at Lane Technical High School in Chicago and an all-city choice when the Cubs signed him in 1957, played two years in the Three-I League.

Then last year he moved to Lancaster of the Class A Eastern League where he batted .293, hit 22 home runs and drove in 8 runs.

"I didn't hit too well my first two years," explains Woods, "and I think it was because I lacked confidence. Last year I had gotten enough experience to gain that confidence."

"I really don't know if I can play up here yet. I expect to find out in the next few weeks. It's all a matter of confidence. If you think you can do something, you usually can."

Dickinson College's swimming team took nine first places to glide to an easy win over Gettysburg and Franklin and Marshall Wednesday evening in the Gettysburg tank before a large crowd. The Red Devils registered 93 points while Gettysburg finished second with 40 and the Diplomats came in third with 34.

GHS Seniors To Oppose Faculty

Senior members of the Gettysburg High School varsity basketball squad will oppose the faculty in a basketball game Friday evening on the high school floor.

All six teams of the Optimist Junior League will combine for three "one-quarter" exhibitions with the first starting at 7 o'clock. The varsity-faculty game will follow the completion of the three

POPE APPOINTS NEW BISHOP OF GREENSBURG

WASHINGTON (AP)—Pope John XXIII announced Wednesday through the apostolic delegation here the appointment of the Rt. Rev. Msgr. William G. Connare as the new bishop of the Greensburg (Pa.) diocese.

Msgr. Connare now is pastor of St. Richard's Parish in Pittsburgh. He will succeed the Rt. Rev. Hugh L. Lamb who died last December.

The new bishop will serve as spiritual leader of some 200,000 Catholics in Westmoreland, Fayette, Indiana and Armstrong counties.

Msgr. Cyril J. Vogel, pastor of the Holy Family Church in Latrobe and chancellor of the Greensburg diocese, has been serving as diocesan administrator since Bishop Lamb's death.

Msgr. Connare, 48, has served as pastor of St. Richard's Church for six years. He also served as a member of the Pittsburgh Diocesan School Board.

Elevated in 1955
He was appointed diocesan director of the Society for the Propagation of the faith Sept. 15, 1950, and served until named vicar of religious last April.

He was among 15 diocesan priests elevated to the rank of monsignor in April, 1955 by the late Pope Pius XII.

As vicar of religious, he was

ORRTANNA — The monthly study class of the Women's Missionary Society of the Mt. Carmel EUB Church was held in the church hall Tuesday evening. Mrs. Paul Wetzel was hostess. Mrs.

in charge of all matters except administration pertaining to all religious communities in the diocese.

Msgr. Connare attended Duquesne University, St. Vincent College and St. Vincent Major Seminary.

He was ordained in the St. Vincent Archdiocese Church at Latrobe June 14, 1936.

He has served as chaplain of the University Catholic Club of Pittsburgh since 1947 and as chaplain of the Catholic Interracial Council of Pittsburgh since 1953.

Other appointments include: Bishop Leo F. Dworschak, titular bishop of Tium, to be bishop of Fargo.

Bishop Thomas J. McDonough, titular bishop of Thanae, to be bishop of Savannah.

Archbishop Edmond Fitzmaurice from bishop of Wilmington to the titular Archdiocese of Tium.

Bishop Michael Hyle, formerly coadjutor bishop to succeed Archbishop Fitzmaurice as bishop of Wilmington.

The appointments were announced here Wednesday by Archbishop Egidio Vagnozzi, apostolic delegate to the United States.

SUPER-ATLAS SHOT IS OFF

WASHINGTON (AP) — The Air Force has cancelled plans to shoot a Super-Atlas nearly 9,000 miles from Cape Canaveral past the tip of Africa over the Indian Ocean. One unconfirmed report was that President Eisenhower personally turned down the idea.

The Air Force has had the beefed-up Atlas missile on a launching pad at Canaveral for days. Actual firing times were set several times and then postponed because of weather conditions.

When these plans became known in high Washington circles, the State Department reportedly raised the point that no public notice had been given so ships could avoid the impact area. Air Force officials argued this wasn't necessary because the rocket was intended to burn up in the atmosphere at the end of the trip and so would pose no danger.

The unconfirmed report said the matter was brought to the President's attention during his current South American tour, and he turned thumbs down, at least for the present.

PUSAN, Korea (AP) — The charred bodies of 51 Koreans were recovered Wednesday and 10 more were believed dead after a fire razed a chemical plant in Pusan.

Forty-nine of the known dead were women. Fifty of the 500 workers in the plant were hospitalized.

It was believed the fire started from a lighted cigarette tossed into inflammable material.

Dale Wetzel was the leader. The topic was "Stewardship Is Doing" with all members taking part. Mrs. Paul Wetzel gave a reading entitled "The One Talent Man." The meeting closed with prayer by the pastor, Rev. Gotwalt.

The Rev. and Mrs. Alfred Gotwalt spent Tuesday in York where he attended a ministers' meeting at First EUB Church. Mrs. Gotwalt spent the day with her parents, Mr. and Mrs. Lloyd Liek.

Mrs. Luther Wetzel of here, Mrs. Luther Baltzley, Gettysburg, and Mr. and Mrs. John Wetzel, Gettysburg R. 3, spent Sunday at Sparrows Point, Md., as guests of the former's sister, Mrs. Harry Ross. Also at the Ross home were Mr. and Mrs. Kermit Wetzel and daughter, Candy, of Solley, Md.

Mr. and Mrs. Donald Baker, Baltimore R. 15, were Sunday guests of their parents, Mr. and Mrs. Wilmer Wetzel, here, and Mr. and Mrs. Howard Baker, Gettysburg R. 3.

Mr. and Mrs. Ed Adams and David Eline of New Oxford spent Sunday with Mr. and Mrs. Roy Chapman.

Mr. and Mrs. Edward Lewis, Thurmont, visited Saturday evening with Mrs. Lewis' parents, Mr. and Mrs. Earl Singley.

Mrs. Earl Singley and Mrs. Roy Fissel have secured employment at the Adams County Fruit Packing plant in Biglerville.

Mr. and Mrs. Melvin Wentz and sons, Dennis and Stephen, Hanover, spent Sunday with Mr. and Mrs. Curtis Chapman, parents of Mrs. Wentz.

Dale Herring has resumed work in the L. Z. Musselman orchards after an absence of several weeks due to illness.

WILLIAMS MAY RETIRE DUE TO "PAIN IN NECK"

SCOTTSDALE, Ariz. (AP) — Aging, ailing Ted Williams, the last of the 400 hitters, may be through with baseball.

The old hitting master, who will be 42 in August, showed up for spring training Tuesday with the dour announcement that baseball's most famous pain in the neck may force him into retirement.

"I guess there is considerable

doubt whether or not I'll be able to play this year," he said. "I'm going to test things out here and then make up my mind."

Ted suffered the ailment, a muscle inflammation of his back and neck, in spring training here last season. He was bothered by it all season long and his batting average slipped below .300 for the first time in his career. His .254 average pulled his lifetime mark down three points to .346.

Has Not Improved

"I had hoped the pain would go away with rest and some exercise during the off-season," Williams said. "It hasn't gotten any better."

"I decided to come out here and give it a try anyhow. I figured the hot sun might take it out of me. If it doesn't, there's nothing

SIGHTLESS BOY IS WRESTLER; KEEPING BUSY

PHILADELPHIA (AP) — What kind of life has 8-year-old Jackie Foster led since he lost his remaining eye to cancer before Thanksgiving?

For one thing, he has won third prize in a wrestling match at the Overbrook School for the Blind.

left for me to do but retire."

Williams, the oldest active player in the majors, is starting his 22nd year with the Red Sox. In that period, with time out for World War II and the Korean War, he has won the American League batting title six times, the home run crown four times and led the league in runs batted in four times. His most outstanding achievement was a .406 batting average in 1941.

He took a 50-minute workout Tuesday, donning a uniform to do some running and throwing.

And his teacher reports he is doing well in his third grade courses.

But more important, Jackie is learning to live in a new world where touch and sound must make up for all the darkness.

Likes Bean Bags

"I'm going to build a door bell that rings with batteries," Jackie said cheerfully. "I already built an electric magnet."

One of Jackie's favorite games is throwing bean bags. He likes to hear the bag as it hits the board or passes through the bullseye hole in the center.

Doctors removed Jackie's eye Nov. 24. He lost his other eye, also from cancer, when he was 13 months old.

Brother Helps

The day after Jackie's operation, his father entered a sanitarium with tuberculosis. His mother, Mrs. Eugene Foster, was left to care for his four younger brothers and sisters. She is expecting another child. She had to go on relief.

Thousands of persons with no other way to show their sorrow sent Jackie money.

"When he comes home on weekends, he bowls, listens to music

Walks Into Plane Propeller; Killed

COLUMBUS, Ohio (AP) — A Lockbourne Air Force Base airman was killed Saturday when he walked into the prop of an airplane at Lajes Air Base in the Azores, the Lockbourne public information office here reported today.

Dead is Airman 2 C. George M. Zayac, 20, of 48 Berkley Ave., Mount Royal, N. J. He was assigned to the 36th field maintenance squadron at Lockbourne.

Witnesses said Zayac was working on a KC97 refueling tanker. A ground power unit, which makes a great amount of noise, was operating nearby. Zayac apparently did not hear either the engine of the plane turning over or warning shouts, and backed into the propeller.

Zayac was married and the father of two children.

and plays with his brothers and sisters," said Mrs. Foster.

"I was really surprised by his 5-year-old brother, Eugene, who takes care of Jackie whenever he goes outside," she added.

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — The Senate's around-the-clock fight over civil rights is headed for organized chaos before it's finished. This looks like the wooliest civil rights fight in recent years.

The Senate leaders — Lyndon Johnson of Texas for the Democrats and Everett Dirksen of Illinois for the Republicans — have agreed on around-the-clock sessions endlessly to smash the Southern Democrats' fight against any civil rights measure.

The idea is to make them shut up finally through exhaustion. This is disorderly enough. But the usual way of doing Senate business has also been abandoned, leaving the door open for a free-for-all.

The Orderly Way
This is the orderly way: Bills on a certain issue, like civil rights, after being introduced in the Senate are sent to the appropriate committee whose members and staff examine the bill for good, and bad parts, workable and unworkable parts, and gimmicks.

Hearings are held so both sides can speak their piece. Then the committee senators agree on one bill, or put together a combination of bills, and send the finished product to the full Senate for action, with a report and explanation.

On the floor, of course, changes can be made in the committee-approved bill through amendments offered on the floor. But by this time the senators have, or should have, a pretty good idea of what they're voting on.

Stymied In Both Houses
But this year civil rights bills have been stymied in both House and Senate committees which are headed by Southerners. So Johnson and Dirksen decided to go ahead and try to get some kind of civil rights bill passed without committee approval.

The bill supposed to get first consideration was proposed by the Eisenhower administration. First, it was offered in bits and pieces last year. This year Dirksen put all the pieces together and offered them in one bill.

57 From Russell
But there probably have been more than 200 civil rights bills, with all kinds of proposals, introduced this year, not one of which got through a committee.

Sen. Richard B. Russell (D-Ga.), leader of the Southern Democrats, said Sen. Jacob K. Javits (D-N.Y.) has by himself introduced at least 87 civil rights bills.

When the filibuster is broken, if it is, then the Senate will vote on the administration bill. But any senator can offer other bills as amendments to this one. And the Southerners, to water down the Northern amendments, or to foul them up, no doubt will offer more amendments of their own.

Since none of these proposals has cleared a committee, there is a good chance the Senate will often have only a vague idea of what it's voting for or against. Does that sound strange? It shouldn't.

Late Discovery
In 1957, when the Senate passed the first civil rights bill in this century, neither the Southern opponents of it nor its Northern advocates knew precisely what the bill would do, although they had had months to examine it.

Russell, the Southern captain that year, suddenly announced he had discovered a "cunning" gimmick in the bill: It would permit the use of federal troops to back up one section of the bill. It seemed strangely late to be discovering that.

It was, Russell hadn't discovered it. Instead, a lawyer for the Senate Judiciary Committee discovered this provision and called it to Russell's attention.

Sen. Paul Douglas (D-Ill.), leader of the fight for civil rights bill, expressed astonishment at Russell's disclosure. What had happened? Neither the Southerners nor the Northerners had really done their homework on the bill at all.

WASHINGTON (AP) — The House Space Committee has approved a bill to authorize 915 million dollars for the national space program in the next fiscal year.

Chairman Overton Brooks (D-La.) said Tuesday he wishes it was even more.

"I'm still disturbed that there is not enough feeling of urgency in this program," Brooks said.

CHICAGO (AP)—President Eisenhower probably will be the keynote speaker at the Republican National Convention in Chicago in July, says the vice chairman of convention arrangements.

Jaren L. Jones of Salt Lake City told newsmen Tuesday that many party leaders favor the President for the opening address and that his acceptance could be considered a probability.

First street cars in New York City in 1832 had granite ties to support rails. They proved to be too noisy. Wooden ties were substituted.

U. S. RULES TO BE USED IN PA.

HARRISBURG (AP) — Federal standards on food additives and chemical pest killers will be adopted by Pennsylvania beginning Friday.

William L. Henning, agriculture secretary, said Wednesday the move is being made to give farmers, food processors, manufacturers and packers a clear guide to the Commonwealth's requirements concerning food safety.

Presently the federal standards apply only to materials involved in interstate commerce.

Salesman Has First Accident; Hits Wife

ST. LOUIS (AP) — Reed E. Very, a salesman of suburban Florissant, drove 5,000 miles a month for many years before he

Henning said his department will endorse safe chemical additives and tolerances as they are approved under the Federal Food, Drug and Cosmetic Act.

At the same time, the Agriculture Department warned seed dealers of the new requirements for labeling seed packages.

The packs must be clearly labeled as to freshness and whether they are treated with poisonous chemicals.

had his first accident. Very smashed into the rear of his own car, driven by his wife when she stopped suddenly at an intersection and he couldn't stop in time. Very was driving a company car to a garage and his wife was taking his car so that he'd have a ride home.

TWIN TROUBLE

COLUMBUS, Ohio (AP) — Bernard Brown, 5, tried to cross Gibbard Ave. at St. Clair Ave. He was hit by a car and treated for minor cuts at Children's Hospital. Three weeks to the day later — and ditto. Same boy. Same intersection. Same injury. Same hospital.

Different driver, though.

Helicopter Struck Landing On Course

MILWAUKEE (AP) — A helicopter and an electric golf cart collided on the second fairway of the Tripoli Golf Club.

The whirlybird had landed to pick up two golfers and take them to an exhibition in Illinois. The driver of the cart bearing the golfers forgot to set the handbrake and the little machine surged into the helicopter, tearing a gaping hole in the side.

The world's largest calla lily field, at the base of San Bruno Mountain south of San Francisco, has more than 25 miles of sprinkler pipes.

WATERFOWL ON FLYWAY ARE NORMAL

WASHINGTON (AP) — Waterfowl on the wintering grounds of the Atlantic Flyway number about the same as last year, the Fish and Wildlife Service reported today.

The annual survey was conducted in the Atlantic coastal states plus West Virginia, Pennsylvania and Vermont early in January. Atlantic Flyway findings were considerably better than those for the Central and Pacific flyways.

Wintering Flocks Smaller
A 42 per cent decrease was recorded for wintering flocks in the mountain and prairie states which make up the Central Flyway, with the ducks down 47 per cent and geese up 17 per cent. In the Central Flyway are Kansas, Wyoming, Montana, North Dakota, South Dakota, Nebraska, Colorado, New Mexico, Oklahoma, Texas, the east coast and interior of Mexico and part of Canada.

An 18 per cent decrease in ducks was found in the Pacific Flyway, along with a 4 per cent drop in goose populations and a 17 per cent drop for coots. This area includes Alaska, Washington, Oregon, the west coast of Mexico, Idaho, Nevada, California, Arizona, Utah and a portion of Canada.

Results of the study in the Mississippi Flyway will be made public later this week. This will be followed by a summary of the Continental situation.

York Springs

MRS. ESTA COULSON
Phone 34-W

YORK SPRINGS — The Choppers Car Club will sponsor a skating party at the Mary Jane Rink Friday night, March 4, from 8-11 p.m.

A surprise birthday party was held at the home of Mr. and Mrs. Ahlers and family Saturday night in honor of Mrs. Ahlers, whose birthday was February 29. She has had only eight birthdays to celebrate. Those present were Mrs. Ahlers' parents, Mr. and Mrs. H. N. Miller, Betty and Tony Miller, Mrs. Burnell Day and children, Mary, Millard and Mike, Mr. and Mrs. Boyd Crook, Hanover; Mr. and Mrs. William Miller and children, Tim and James, Spring Grove; Mr. and Mrs. Carl Leese and children, Joanie and Leigh; Mrs. Ralph Griest, East Berlin; Mr. and Mrs. William Miller, Mr. and Mrs. Robert Megonell and son, Mike, and Mr. and Mrs. Clair Phillips and children, Sharon and Tommie.

The Latimore WCTU meeting was held at the home of Mrs. Kenneth M. Hankey with Mrs.

Hysterical After Court Conviction

CHICAGO (AP)—A 35-year-old mother of three, crying hysterically, was carried in a chair out of Criminal Court Tuesday after she was sentenced to 60 years in prison for murder.

Mary Saisi was convicted of plotting with her lover the murder of her husband, Peter, 34, an insurance agent, to collect \$24,000 in insurance.

The principal witness against her was Richard Lansing, 23, who pleaded guilty to shooting Saisi and was sentenced to life imprisonment. Lansing, who described himself as Mrs. Saisi's lover, testified they plotted the fatal shooting of Saisi to share the insurance. Saisi was fatally shot in his West Side home Oct. 27, 1958.

Hankey in charge of the program. The worship theme was "Am I My Brother's Keeper?" The scripture was read, the prayer, meditation and salute to the American, Christian and temperance flags, was directed by Mrs. Nellie Leew. A duet by Darlene Wonders and Jo Ann Hankey, with Mrs. Glenn Wonders as the accompanist, was presented. An article written by J. Edgar Hoover, "Teen-ager's Tips," was read by Miss Erma Wagner. All members present signed get well and sympathy cards for members. A business session was conducted by the president, Mrs. Calvin Leer. Refreshments were served.

The York Springs Choppers Car Club will hold a public card party Saturday night, in the York Springs fire hall. Prizes will be given and refreshments will be for sale.

Harry E. Trostle and Donald Golden visited Mrs. Elsie Wolf and Mr. and Mrs. Paul Miller and daughter, Lydia Ann, Harrisburg, Sunday.

The York Springs 4-H Agriculture Club will hold its first regular meeting Tuesday evening, March 8, at 7 o'clock at the Scout cabin. All parents of the members and prospective members are urged to attend this meeting. Assistant County Agent Duane Duncan will talk and explain the various projects of the 4-H program. This will be followed by a question and answer session. Any boy or girl interested in joining the York Springs 4-H Club should contact any member or the local leaders, Mrs. Paul Middour and Raymond Leer. Refreshments will be served.

Mrs. Pluvia Diller was removed to the Annie Warner Hospital Monday afternoon.

Mr. and Mrs. Lawrence Hoebner and daughter, Shillington, and Mr. and Mrs. Victor Ulrich, Reading, were visitors of Mr. and Mrs. Clyde Mansberger and Mrs. Jack Hoebner recently.

Mr. and Mrs. Ronald Nelson announced the birth of a daughter, Seglinde Susanna, at the Carlisle Hospital Saturday evening. Mrs. Nelson is the former Susan Anna

Behney.

Irvin Behney, son of Mr. and Mrs. James Behney, underwent major surgery at the Hanover Hospital Thursday.

Ernest Hollabaugh, owner of the Mary Jane skating rink, underwent major surgery on Monday at the Annie Warner Hospital where he has been a patient since January 1 when he was injured in an automobile accident.

Assistant County Superintendent Francis Coulson was the guest teacher at the Chestnut Grove Sunday School Sunday. He taught the lesson to the entire adult division. A vocal solo was given by Deborah Hoffman accompanied by Cynthia Zepp.

Wheat is the principal crop in Spain, a country which is slightly larger than California in size.

State Farm Prices Drop In February

HARRISBURG (AP) — State farm prices dropped two per cent in the month ending Feb. 15 because of declines in poultry and dairy receipts, the Pennsylvania Agriculture Department reports. The index of prices for poultry and eggs was down 4 per cent and

the index for dairy products was down 3 per cent, the department said Tuesday.

The all farm products index, a barometer of farm income, was 225 per cent of its 1910-14 average. This compares with 227 in mid-January and 234 in mid-February 1959.

The nationwide index of prices received for the month ended Feb. 15 rose nearly 1 per cent, or 2

VATICAN CITY (AP) — Pope John XXIII Wednesday had his forehead marked with the Roman Catholic Church's Ash Wednesday sign of humility and penance. Marking the first day of Lent, the pontiff blessed ashes in his

points. Higher prices for meat animals and most fruits were primarily responsible for the increase.

private chapel before he said his daily Mass.

Msgr. Loris Capoville, the Pope's personal secretary, applied some of the ashes to the forehead of the 78-year-old ruler of the church. Then the Pope put ashes on the foreheads of Msgr. Capoville and other members of the papal staff.

PA. CHURCHMEN OUT TO BLOCK RACE GAMBLING

HARRISBURG (AP)—The Pennsylvania Council of Churches is spearheading a statewide campaign against efforts to legalize parimutuel betting at harness races.

In one of the most intensive drives ever undertaken by the Protestant group, 13 counties are being flooded with thousands of pamphlets, posters and handbills urging residents to vote against parimutuel betting at the April 26 primary.

Although the council's opposition was well known, the extent of its grass roots campaign was made public by the Rev. George Evans in an interview with the Associated Press Tuesday. Evans is executive secretary of the council's Division of Social Relations.

Represents Three Million
He said the council intends to support "local church groups in every possible way to defeat this effort to legalize gambling in Pennsylvania."

The council represents three million Protestants in 18 denominations.

A pamphlet entitled, "Horse Sense or Harness Race Gambling?" is being distributed at request to church leaders, Evans said. He added requests for copies have been exceptional since a sample was distributed.

The pamphlet hammers home council views on effect of gam-

bling on the state's tax picture, the community, family and politicians.

Impossible Task

Referenda will be held in Philadelphia, Allegheny, Berks, Bucks, Crawford, Delaware, Erie, Fayette, Lehigh, Luzerne, Monroe, Northumberland, and Westmoreland counties.

The pamphlet implied that Gov. Lawrence was naive in telling Chairman Lawrence B. Sheppard that the Harness Racing Commission's activity must be "above reproach, like Caesar's wife." It stated:

"This task is impossible because of the very nature of gambling. Every other state that legalized gambling at the beginning had this high ideal of cleanliness, but it is naive to think that one can make dirt clean."

Sees No Effect

Sheppard was on vacation and unavailable for comment.

In Pittsburgh, Michael Parish, who is connected with interests seeking legalized betting in Allegheny County, said he didn't think the council's opposition would affect the outcome of the referenda. "I don't see any reason why it should," he said. "The churches here have been opposed to it all along. The people will vote for it."

Charles Schmitt, president of the Pennsylvania Racing Assn., said in Erie the council's statement on the effect legalized betting would have on taxes is "erroneous." The are basing their facts on inadequate information, he added.

Some jet aircraft carry a 25-man life raft which inflates in nine seconds. Deflated, it is small, but carries food, water and first-aid kit.

Emmitsburg

MRS. RALPH LONG
Hillcrest 7-2231

EMMITTSBURG — The Intermediate Girl Scout troop, under the leadership of Mrs. John Chatlos and Mrs. Robert Myers, was host to the troop of Mrs. Charles Shorb and Mrs. William Kelz at a party Monday afternoon in honor of "Thinking Day," held in St. Euphemia's Hall. Refreshments were followed by games and songs. The story of the "Magic Thread" was read by Mrs. Chatlos, assisted by Mrs. Cornett, who showed by the use of thread how Girl Scouting spread throughout the world. The demonstration was followed by the girls contributing \$5.75 to the Juliette Low World Friendship Fund. The party closed with the flag ceremony with color bearer, Harriet Harner, and guards, Phyllis Chatlos and Jean Myers.

A meeting of the leaders and assistant leaders of the Girl Scouts of Emmitsburg met Friday evening in the American Legion Home to discuss plans for Girl Scout Week, March 6 to 12. The girls in the Brownie troops and Intermediate troops will attend church in a body Sunday, March 6. The Catholic girls will meet at the American Legion Auxiliary room at 8:15 a.m. and attend the 8:30 a.m. Mass at St. Joseph's Catholic Church. Protestant girls will meet at the Lutheran Church in the Fellowship Hall at 10:20 and attend the 10:30 services in the Lutheran Church. Leaders will accompany the girls. A Girl Scout display will be arranged

during the week in Crouse's store window on the square. The week includes Girl Scout Sunday, Homemaking Day Monday, Citizenship Day Tuesday, Health and Safety Day Wednesday, International Friendship Day Thursday, Arts and Crafts Day Friday and Out-of-doors Day Saturday. Saturday, March 12, is the Girl Scouts anniversary. The cookie sale will start Friday, March 11, and continue through March 26. Girls will canvass the town. It was also announced that the final cook-out training period for the ladies who took the leaders training course will be held Wednesday evening, April 6, from 7 to 9 p.m. and the cook-out will be Saturday, April 9.

The Brownie Troop, under the leadership of Mrs. Kenneth Vaughn and Mrs. Ralph Long, met Friday evening in St. Euphemia's Hall. Sixteen girls were present. The meeting was opened with the Brownie Scout promise and roll call. The leaders explained the Investiture Ceremony to the girls and about two weeks the girls will receive their pins and cards and become members of the National Girl Scout Association. Election of officers was held showing the following results: President, Susan Keepers; vice president, Betty Pfeiffer; secretary, Clara Jean Tyler, and treasurer, Judy Hardman. Prior to the Brownie meeting a few of the parents interested in the troop committee met. Mrs. Howard Fitz was elected general chairman and Mrs. Guy McGlaughlin was elected secretary-treasurer of the troop committee.

Boy's Curiosity Breaks Up Robbery

MELROSE, N.M. (AP)—The curiosity of a boy broke up a bank burglary Tuesday.

The boy, walking home in the early morning darkness, saw a light flickering in the First National Bank.

He looked through a window. One of two burglars threw a crowbar at him.

The boy, unidentified at the request of the FBI, fled, bleeding from glass cuts. He ran home and called police. The burglars left without any loot.

Traffic Deaths In U.S. Up In January

CHICAGO (AP)—The nation's traffic deaths rose 4 per cent in January compared to January 1959, the National Safety Council reports.

The increase, from 2,760 to 2,870, centered in six populous states, the council said Tuesday, that collectively accounted for 192 more deaths in January this year.

The six states are Michigan, Illinois, Ohio, Missouri, New Jersey, and South Carolina.

LOUISVILLE, Ky. (AP)—Harry P. Converse, 83, managing editor of the Christian Observer, the nation's largest Presbyterian weekly, died Monday.

GAYLORDSVILLE, Conn. (AP)—Rex Brasher, 91, birdlife artist who was credited with painting every species in North America, died Monday after a brief illness.

BEARDS FOR TV VIKINGS ARE PROBLEMS

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP)—As every body knows, the trademark of the male beatnik is the beard. Thus tall, immaculately tailored — and definitely bearded—Jerome Courtland attracts much attention when he walks down any American street these days.

Courtland, however, is no beatnik and his beard was grown to comply with fashions of about 800 years ago. Courtland, a Tennessee native, is the star of a new syndicated television series, "Tales of the Vikings," now shown over 120 stations.

Maintenance Problems

His beard and his flowing locks present problems of maintenance unknown to intrepid Norsemen of old. Courtland is a definite brunette. But, because nobody ever thinks of a Scandinavian as anything but blond his naturally brown hair must be bleached.

"I can't go more than about 10 days with the beard," he explains, "although I don't have to have my hair done more than every three weeks. I've been going through this bleaching thing now for almost nine months, but I'm still embarrassed every time I go in for repairs."

Paar Returning

Jack Paar's return Monday night will be a family affair: guests will be Genevieve, Charley Weaver, Hans Conried, Florence Henderson and Hugh Downs, all members of the Paar inner circle.

Rumors of waning popularity of Westerns seem more wishful thinking than real. Some of the veteran shows remain firmly at the top of the ratings charts, few oaters have been flops this season. But, if series-in-the-making are a trend clue, next fall will find the emphasis on comedy shows — more than a quarter of some 200 pilots have comedy themes.

As early as 1787 Pennsylvania legalized driving vehicles on the right hand side of the road.

WONDER ENRICHED BREAD

Made With Buttermilk

Recaptures the Exquisitely Delicate Flavor... The Unsurpassed Lacy Texture of the Bread From a Plantation Oven!

One bite does it! Your first taste tells you this is the bread that belongs on your table! WONDER ENRICHED BREAD Made With Buttermilk has a special flavor blend perfected by the famous Wonder Bakers. It's different... so deliciously different it's sure to pick up appetites all around your table. Serve it and see!

The secret is tangy buttermilk blended with other fine ingredients... a blend that creates unforgettable flavor and texture.

If your family is hard to please then try this new taste thrill. No other has this special blend. So—for a real treat—ask your grocer for WONDER ENRICHED BREAD Made With Buttermilk. It's fresh... it's different... it's delicious.

BUTTERMILK makes the flavor! FRESH At Your Grocer's Now!

Ike Visit Shows Great Reservoir Of Good Will

By STANFORD BRADSHAW
MONTEVIDEO, Uruguay (AP)—Although ending on a note of turbulence, President Eisenhower's 10-day South American tour demonstrated that Latin America holds a tremendous reservoir of good will for the United States.

But the isolated anti-U.S. incidents that cropped up in each of the four countries Eisenhower visited served as a warning that the United States must keep on its toes if good relations are to be maintained.

U.S. officials agree that a strong follow-through on the tour is needed—and there already are signs that it will be made.

Western Ties Stronger
More than any other single U.S. move in recent years, the President's visit to Brazil, Argentina, Chile and Uruguay served to strengthen ties among the 21 nations of the Western Hemisphere. It has created an atmosphere in which the solution of specific and touchy problems could come more easily.

Here is a brief recapitulation of some of the obvious achievements of the trip:

It reemphasized U.S. relations with Brazil, a traditional ally, and showed the strength of the new friendship between the United States and Argentina, a long-time critic.

Clarifies U.S. Position
It clarified for an important segment of Latin America's population the position of the United States as a supporter of peace, nonintervention, democracy and economic development. This clarification was conveyed by the most direct means possible to the estimated three to four million people who saw the President in person, watched him on TV, or heard him on the radio.

It added new impetus to Eisenhower's hopes of bringing Latin America more closely into the free world alliance. He talked with each of the four countries' presidents on the forthcoming East-West summit meeting.

Expect More Help
It emphasized Washington's support of curbs on the arms race in Latin America. Eisenhower stressed repeatedly that savings

from such curbs could go for economic development.

It enabled Eisenhower to stress that the United States—contrary to some Latin-American thought—does not have inexhaustible financial resources. He made this point in avoiding as tactfully as possible any formal financial commitments to the host countries. Nevertheless, each of the four chiefs of state with whom he conferred let him know they expect more U.S. help.

FIX FEES FOR USE OF SCHOOL CAFETERIA

The Conewago Twp. School Board at a meeting Tuesday evening at the school approved March 17 for school patrol party; April 1, two one-act plays by the Seventh and Eighth grades; April 8, Eighth grade trip to Washington, and May 26, Eighth grade promotion.

The following policies were set for use of the school all-purpose room and cafeteria: Rental rate for the all-purpose room by non-profit making group, \$30; commercial, \$60; each or any practice time, \$5. No food may be sold other than from the cafeteria.

When the cafeteria is used the regular cafeteria employees must be in charge and paid \$2 per hour; rental of the cafeteria for non-profit group is \$30; commercial, \$60. The custodian must be on duty at all times when the building is open for public use. He shall be paid \$2 per hour.

School related activities must be arranged and scheduled with the principal. All requests for the use of the building must be made with the principal.

Grade Teacher Resigns
The resignation of Mrs. Marian Claple, fifth grade teacher, was accepted with regret.

Miss Lorraine Leppo, Hanover R. 2, was elected as a teacher for nine and a quarter months at \$3,800 annually. Miss Leppo is a Senior at Elizabethtown College and will graduate in June.

Plans were announced for a book exhibit at the school during the next 30 days. Books will be purchased from this exhibit for the school library.

It was announced that 39 pre-school children were registered at the school office Tuesday, February 23. Those not registered in the district are to do so as soon as possible.

The board authorized the purchase of science and mathematics equipment which may be reimbursable through NDEA.

Dental examinations were conducted in the school last week. One hundred thirty-seven boys and girls were examined by the school dentist, Dr. Joseph Riley. Grades One, Three and Seven were examined.

Airview Quake Damage In Agadir

This is an airview of damaged structures in one section of the Moroccan city of Agadir following two quakes and tidal wave. (AP Photo by radio from Casablanca)

Negro, Jap, Filipino Elevated To Cardinal

VATICAN CITY (AP)—Pope John XXIII today designated seven prelates of the Roman Catholic church to be cardinals. They included the first Negro, the first Japanese and the first Filipino ever elevated to the College of Cardinals.

Their elevation will bring the membership of the church's highest body to a total of 85, the largest in history.

The others chosen by the Pope were two Italians, a Frenchman and a Dutch prelate.

The Negro to be elevated is Bishop Laurian Rugambwa of Rutabo, Tanganyika, in East Africa.

The Japanese is Archbishop Peter Tatsuo Doi of Tokyo. Archbishop Rufino J. Santos of Manila is the Filipino.

Others Honored
The others honored by the Pontiff are Archbishop Bernard Jan Alfrink of Utrecht, Holland; Archbishop Joseph Lefebvre of Bourges, France, and the Most Rev. Luigi Traglia and the Most Rev. Antonio Bacci, both Italian members of the Vatican Curia.

They will be elevated to the purple at a pre-Easter consistory to be held on March 23.

It will be the third such consistory Pope John has called since he became supreme ruler of the church 16 months ago. Each time he has enlarged the college, underlining his determination to bolster the high senate of the church to meet modern problems and to reflect the great growth of the church in recent years.

Previously the College of Cardinals had been limited to 70 members for more than 350 years.

Elevates Younger Men
In making his latest cardinal selections, Pope John continued a practice he set earlier of elevating comparatively younger

church officials to the college. Bishop Rugambwa is 47, and Archbishop Santos is 51. Archbishop Alfrink is 59, Archbishops Doi and Lefebvre both 67, and the Most Revs. Traglia and Bacci both 64.

The college now has 31 Italians and 47 prelates from other countries. After the new consistory it will have 33 Italians and 52 non-Italians.

Naming of a cardinal for the Philippines, whose population is almost solidly Catholic, and of the first native Negro cardinal in Africa, where the church has expanded enormously in recent years, did not come as a surprise.

But the naming of a Japanese cardinal was a surprise and injected new interest in the colorful ceremonies that will see the elevation of the princes of the church. Japan's Catholic population is small, and Tokyo, of which the new cardinal is archbishop, has only about 37,000 Catholics.

The nomination of a Japanese cardinal was considered by Vatican sources to indicate the importance that Pope John attaches to the church in the Far East.

Federal Hall in New York City served as the first Capitol of the United States, after the Constitution was adopted.

DEATHS

By THE ASSOCIATED PRESS
NEW HAVEN, Conn. (AP)—Dr. Carl Frederick Schreiber, 73, a leading authority on the German author Goethe and retired head of Yale University's German department, died Wednesday after a long illness.

NEW YORK (AP)—Gen. Bruce P. Disque, 81, organizer and commander of the Spruce Division of the U.S. Army during World War I, died Monday. As commander of the Spruce Division he was responsible for spruce frames for airplanes.

PHILADELPHIA (AP)—Seven former Teamsters Union organizers have been fined \$750 each and given suspended prison terms for failing to report income taxes.

They had pleaded guilty in Federal District Court Jan. 5 to evading \$5,055 in taxes in 1955. The amount for each ranged from \$248 to \$801.

They were John Elco, Charles Amoroso, Jacob Snyder, Harry Lindsay, Michael Sololewski, Arthur Brown and John A. Grant, all of Philadelphia.

The Midway Islands, a United States dependency in the Pacific Ocean, have an area of slightly less than three miles.

Railroads in Australia, New Zealand and Chile have hardwood ties, ready for use without chemical treatment.

JOHNSON AND SYMINGTON IN "OFFICIALLY"

By JACK BELL
WASHINGTON (AP)—Senate Democratic Leader Lyndon B. Johnson of Texas and Sen. Stuart Symington (D-Mo.) are official candidates now for the Democratic presidential nomination.

The two presidential hopefuls backed into the race Wednesday with separate announcements they would not withdraw their names from the May 20 Oregon presidential primary. Both still avoided any direct statements that they are candidates.

Johnson said he was too involved in the Senate filibuster on civil rights to give any attention to outside political matters. But he said he has "no plans to act in any way on the Oregon action."

Won't Take Name Off
This meant he would not file an affidavit with the Oregon secretary of state to take his name off the ballot. Oregon law requires that all nationally recognized candidates be named. They can withdraw only by filing a statement disavowing candidacy.

Johnson's announcement was interpreted as indicating he has not lost hope he can combine Southern and Western backing in a serious challenge for the nomination.

Johnson's Southern support has been shaken by his action in bringing the civil rights issue before the Senate. Some of his Dixie colleagues have sent word to him they don't think they can hold their state delegations for him if he eventually votes for a debate limitation to end the current Southern filibuster, which he may have to do.

Johnson Position Shaky
Without strong Southern backing, Johnson may not be in a position to challenge Sen. John F. Kennedy (D-Mass.), an announced candidate. Kennedy has been saying recently that Johnson is his biggest rival but that was before the civil rights controversy exploded.

Kennedy's name, put into the Oregon contest by the state secretary of state, will stay there along with those of Sen. Hubert H. Humphrey (D-Minn.) and Sen. Wayne Morse (D-Ore.).

Chessman Faces Death On May 2

LOS ANGELES (AP)—Caryl Chessman's new appointment with the gas chamber is May 2. Superior Judge Clement D. Nye set the date Wednesday for the execution.

Interpreted as indicating he has not lost hope he can combine Southern and Western backing in a serious challenge for the nomination.

Johnson's Southern support has been shaken by his action in bringing the civil rights issue before the Senate. Some of his Dixie colleagues have sent word to him they don't think they can hold their state delegations for him if he eventually votes for a debate limitation to end the current Southern filibuster, which he may have to do.

Johnson Position Shaky
Without strong Southern backing, Johnson may not be in a position to challenge Sen. John F. Kennedy (D-Mass.), an announced candidate. Kennedy has been saying recently that Johnson is his biggest rival but that was before the civil rights controversy exploded.

Kennedy's name, put into the Oregon contest by the state secretary of state, will stay there along with those of Sen. Hubert H. Humphrey (D-Minn.) and Sen. Wayne Morse (D-Ore.).

condemned sex terrorist over the vigorous objections of Chessman's attorneys. The lawyers claimed a new execution date could not be set until a 60-day reprieve, granted Feb. 19, by Gov. Edmund G. Brown has expired. Nye said sentence is legal because the new execution date is after the end of the 60-day period.

In San Quentin, where Chessman has eluded execution for 11½ years with a series of court appeals, the convict-author commented: "It doesn't look as if I'll reach the age of Jack Benny."

The famed comedian, who is 66, for years has jokingly claimed he is 39. Chessman will be 39 May 27.

Cooking Is Fun

By Cecily Brownstone

By CECILY BROWNSTONE WEEKDAY DINNER

One of the most delicious ways we know to cook pork chops.

Breaded Pork Chops

Mashed Potatoes

Red Cabbage and Apples

Bread Tray

Tossed Green Salad

Fruit and Cookies Beverage

BREADED PORK CHOPS

Ingredients: 4 rib pork chops (1 1/4 pounds and each about 1 inch thick), 4 teaspoons flour, 1/4 teaspoon salt, 1/4 teaspoon pepper, 1/4 teaspoon celery salt, 1/4 teaspoon paprika, 1/4 teaspoon onion salt, 1 egg (slightly beaten), 1/4 cup fine dry bread crumbs, 2 tablespoons butter.

Method: Cut all but a thin layer of fat away from around chops. Mix flour, salt, pepper, celery salt, paprika and onion salt on waxed paper. Dip chops, one at a time, in flour mixture, then in egg, and last in bread crumbs. Brown chops on both sides in hot butter in a medium-sized skillet. Cover and cook over low heat until done through — browning and cooking will probably take 40 minutes. Makes 4 servings.

FAMILY LUNCH

Variation on an old theme! Sliced Smoked Boneless Pork Shoulder Butt

Grape-Apple Slaw Hot Biscuits

Chocolate Pudding Beverage

GRAPE APPLE SLAW

Ingredients: 2 1/2 cups fine knife-shredded green cabbage (packed down), 1 cup halved seeded grapes (packed down), 1 large yellow Delicious apple (cut in small thin fan-shaped pieces), 1/2 cup undiluted milk, 1/4 cup red wine vinegar, 1 teaspoon instant minced onion, 1/4 teaspoon salt, 1/4 teaspoon white pepper.

Method: Toss cabbage, grapes and apple together in a bowl. With a fork beat together the evaporated milk, vinegar, onion, salt and pepper; mix about two-thirds of this dressing with the salad, add remaining dressing to suit taste. If salad is served at once all the dressing will probably be needed. If it is chilled before serving, salad ingredients will have a chance to absorb smaller amount. Add salt if necessary. Makes 6 servings.

FAMILY DINNER

A reader asks us for our recipe for a spread made with cottage cheese to serve with baked potatoes.

Minute Steak with Mushrooms

Baked Potatoes

Blended Cottage Cheese Spread

Buttered Carrots Broccoli

Bread Tray

Cupcakes Beverage

BLENDED COTTAGE CHEESE SPREAD

Ingredients: 8 ounces cream-style cottage cheese (small or large curd), 1/2 cup milk or buttermilk, 1 tablespoon lemon juice, minced chives or scallions, freshly-ground pepper.

Method: In an electric blender, blend cheese, milk and lemon juice about 30 seconds; turn off blender and scrape down; blend again for about 30 seconds or until smooth. Makes 1 1/2 cups. Refrigerate for several hours or overnight; spread will thicken. Just before serving add minced chives and pepper to taste as well as much of the spread as will be used immediately. Serve as a low-calorie spread with baked potatoes. Plain spread may be stored in refrigerator about a week and used (without adding chives or scallions) with fruit.

FRIDAY LUNCH

Sardines on your food shelf?

Sardine and Cheese Grill

Tossed Green Salad Pickles

Gingerbread with Applesauce Beverage

SARDINE AND CHEESE GRILL

Ingredients: 1 can (3 1/2 ounces) brisling sardines, mayonnaise-type salad dressing, lemon juice, sliced bread, coarsely-grated cheddar cheese.

Method: Drain sardines; mash with salad dressing and lemon juice to taste. Toast bread lightly; spread sardine mixture over one side of each slice. Top thickly with grated cheese. Broil until cheese melts and is lightly browned. Serve at once. Make sure edges of bread are covered with other ingredients so they won't burn under broiler. If you use thinly-sliced bread for the toast, there will be enough sardine mixture to spread 6 slices.

DELICIOUS BREAKFAST

Get the dry ingredients ready the night before, then mix up these good muffins for morning enjoyment.

Orange Juice

Bacon and Eggs

Banana Date Muffins Beverage

BANANA DATE MUFFINS

Ingredients: 1 cup sifted flour, 2 1/2 teaspoons double-acting baking powder, 1/4 teaspoon baking soda, 1/4 teaspoon salt, 1/2 cup sugar, 1 cup quick-cooking rolled oats, 1 egg (slightly beaten), 3 tablespoons butter or margarine (melted), 1/2 cup finely mashed bananas, 1/2 cup sliced pitted fresh dates, 1/2 cup milk.

Method: Sift together the flour, baking powder, baking soda, salt and sugar; stir in rolled oats. Add egg, butter, bananas, dates

GOING TO OMIT CHEAP CIGARS DURING LENT

NEW YORK (AP)—"What are you giving up for Lent this year?"

People have been asking each other this question for days. Most of them now are embarked on their annual 40-day sacrifice of some form of personal indulgence.

The fellow down the hall from me has sworn off martinis for the duration. A girl on the floor below has turned her back on tempting chocolate sodas. The old lady on the floor above has abandoned the reading of lurid confession magazines, a harmless source of thrills for her during the rest of the year.

Big Order For Tracy

"Everybody ought to give up something for Lent, daddy," said my daughter, Tracy Ann, 6. "Is it all right if I give up bubble gum?"

I told her that was a fine thing to give up and complimented her on her spirit of fortitude because I saw it would be a real struggle. At six you don't give up bubble gum lightly. When the world is going against you at that age, bubble gum can be a real consolation.

"And what are you going to

and milk; stir only until dry ingredients are moistened. Fill buttered medium-sized muffin-pan wells each two-thirds full. Bake in hot (400 degrees) oven 20 minutes or until cake tester inserted in center comes out clean. Serve at once. Makes 12.

SUNDAY DINNER

Main course from the top of the range — if you don't want to light the oven.

California Salad

Pork Chops with Tomato-Olive Sauce

Mashed Potatoes Green Peas

Salad Bowl Hard Rolls

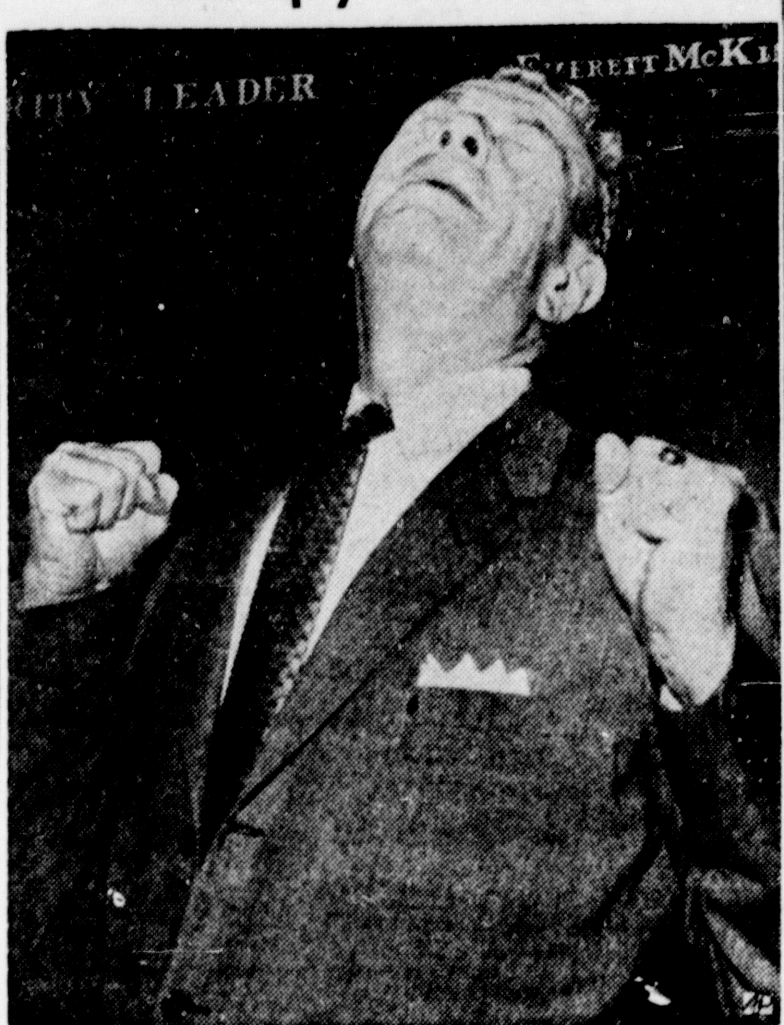

Ice Cream Beverage

PORK CHOPS WITH TOMATO-OLIVE SAUCE

Ingredients: 4 rib pork chops (3/4-inch thick), 1 tablespoon flour, 1/4 teaspoon salt, 2 tablespoons butter or margarine, 1 can (8 ounces) tomato sauce, 1/2 cup water, 1/2 cup finely diced celery, 1/4 cup (2 1/2 small) sliced pimiento-stuffed green olives, 1/4 teaspoon salt, 1/4 teaspoon pepper.

Method: Cut excess fat from chops. Mix flour and 1/4 teaspoon salt; rub into flat surfaces of chops. Heat butter in 10-inch skillet; add chops and brown lightly on both sides. Mix tomato sauce, water, celery, olives, 1/4 teaspoon salt and pepper; add to skillet. Cover and simmer until chops are cooked (white) through—about 1 hour. Skim off fat. Makes 4 servings.

Sleepy Senator

Sen. Everett Dirksen (R-Ill.) stretches and tries to get his eyes open as he leaves his Washington office to answer a quorum call at 5:50 a.m. March 1. Senate leaders are planning to keep the Senate in session around the clock in an effort to bring a Civil Rights bill to a decision. (AP Wirephoto)

UNIONTOWN'S FUTURE MUCH BRIGHTER NOW

(Editor's note: Uniontown found that when its natural resources played out, its own human resourcefulness was the best replacement. Arnold Goldberg, editor of the Uniontown Evening Standard, details what Uniontown did to avoid becoming a ghost city. This is another in a series of "Community Bootstrap" articles written by AP member newspaper editors.)

By ARNOLD GOLDBERG

Editor, The Uniontown Standard
UNIONTOWN, Pa. (AP)—Uniontown's future glows brighter today.

On the skids a decade ago, facing economic strangulation, the one-time soft coal capital of southwestern Pennsylvania is making a courageous comeback.

Like many other districts with large natural resources, the greater Uniontown area had its boom, years ago. Surrounded by the

give up?" asked my daughter. "The question stopped me cold. 'I haven't decided yet,' I told her.

What's Left

But what can a middle-aged man give up? He can't give up boss-baiting, wife-beating or cop-fighting. He already has cut out such frivolities long ago.

If he is already on the wagon and embarked on a diet, he can't give up the bottle or the joys of the table. For the time being, these things are part of his past already. The doctor has forbidden him the pleasures most people make such a point of giving up at this period of the year.

When you get right down to it, a middle-aged man on a health kick doesn't have either any vices or joys he is aware of.

Money Up Again

In this dilemma I consulted my wife who, fortunately, hadn't decided that for Lent she would give up on giving me advice.

"I can name a hundred things you could still give up," she said, and, bless her heart, I feel sure she could name 200 if she got really started. "But for one thing, why don't you do the draperies a favor and give up smoking those cheap cigars?"

Well, that's an idea. I guess I will give them up.

That leaves just one problem. How am I going to get her to give me the money to smoke expensive cigars?

world's finest coking coal, the city and its residents became wealthy.

Seemed Inexhaustible

Billions of tons of coal were mined from the huge Pittsburgh seam. The supply seemed inexhaustible.

Suddenly the coal was depleted. In the few mines still operating, automation moved in.

Jobs were lost. Older folks were laid off. Young people, out of school, could not find employment. Many packed up their families and moved to Ohio, to California, to Michigan.

Battle For Survival

The battle to survive economically and industrially began.

The community, headed by a stalwart Land of citizens leaders, looked up one day and decided it did not want to become a ghost city. It wanted to keep pace with the rest of the nation, to share in the national prosperity.

In 1945, 14,500 were employed in the coal mining industry in Fayette county. Last year 2,500 miners were employed.

25 Per Cent Jobless

Unemployment reached the alarming figure of 25 per cent or approximately 25 per cent of the employable population of the county.

The county population dropped from 201,000 in 1940 to an estimated 175,000. In Uniontown the population declined from 21,000 to an estimated 18,000.

"It was either to slip backward forever or grab hold of ourselves and go forward," Tom Bundy, the executive director of the Chamber of Commerce, said.

A greater Uniontown industrial fund composed of business and professional people was organized in 1952.

Its members contributed \$80,000 to finance itself and to buy and develop land. The fund also sold \$130,000 in bonds to finance 15 per cent of the construction of the W. F. Rockwell Meters Co. plant which covers 80,000 square feet and employs 300 persons.

Two years ago the Rockwell plant added 30,000 square feet to its building.

Twenty-five thousand dollars more was contributed by the fund to construct a knitting mill that employed 150 persons.

This was not enough, the fund leaders decided, to take care of the great influx of unemployed.

Began Campaign
A \$400,000 industrial campaign was begun one evening in April, 1956. It was appropriately called the "5-in-4 drive," or five factories for Uniontown in the next four years.

Enthusiastic volunteers drew up battle lines for the attack on the city's economic ailments.

Attorney Herman M. Buck, then president of the fund and now its counsel, gave the keynote address.

NURSES LEARN TO MEET FIRE EMERGENCIES

DENVER, Colo. (AP)—Robert McGrath gets burned up at his job all the time. But he is never injured, although there have been some close calls.

McGrath lies in hospital beds under a blazing sheet, protected by an asbestos blanket, to teach hospital personnel how to react swiftly and properly when they see a fire.

Attached to the Chicago Fire Prevention Bureau, he carries his message across the nation. In classes in 92 cities, he has perfected his technique and improvised many tricks to test his trainees.

A typical performance took place at the Veterans Administration Hospital here.

During one class session, nurse Gladys Gordon speedily smothered fire in an empty bed. Seconds later she walked around a screen and was confronted with what looked like an honest-to-goodness emergency.

Grabs Blankets

McGrath was in bed with flames spouting from the bed clothes. Miss Gordon gave one startled gasp before she grabbed a blanket and snuffed out the fire.

Not all nurses do such a good job.

"One little nurse in Louisiana was too short to spread the blanket completely over my body," McGrath recalls. "Things were getting pretty hot when she just crawled right up on top of me and pounded the flames out."

The closest call for McGrath was in a Southern state where an easy-going nurse leisurely unfolded the blanket. By the time she spread it over the flaming bed, McGrath's pants were beginning to burn.

Prepares Nurses

"The main purpose of my instruction," he says, "is to prepare — specifically the nurses — to do something immediately."

CITES NEED FOR PROBATION OFFICERS

HARRISBURG (AP)—Gov.

Lawrence said today counties need more probation officers to reduce what he called the shockingly high number of juveniles being sent to training schools.

"Without such interest in the welfare of delinquent youth, the inevitable decline in morale follows and a pattern of adult criminality results," the governor said. Lawrence made the statement in prepared remarks opening a meeting of his committee on the White House Conference on Children and Youth.

Delegates from all parts of the state discussed plans for Pennsylvania's participation in the national conference in Washington March 27-April 2.

"Twice as many youths, including young women, are sent to training schools in Pennsylvania as elsewhere — far above national standards," Lawrence said.

"We need to study the whole system of justice in our juvenile courts and come to a better understanding of what that justice really means to society," he said.

CAN TIE GEHRIG

BOSTON (AP)—If Ted Williams plays baseball this year and hits one home run he will be tied for fourth place with the late Lou Gehrig in overall home run production in the major leagues.

Gehrig hit 493. Stan Musial is in sixth place with 412. Babe Ruth (714), Jimmy Foxx (534) and Mel Ott (511) hold the top three spots.

DEER BY THE SCORE

OKLAHOMA CITY (AP)—Oklahoma's 1959 deer season was the best in state history as hunters bagged 2,400 bucks. It is predicted the kill within five years may be 4,000 per season.

Early New England women bleached their sheets by spreading them with sour milk and putting them in the sun.

Says Students Need To Be Encouraged Like Athletes

By G. K. HODENFIELD
AP Education Writer

PORTLAND, Ore. (AP)—An exceptional student should be encouraged with all the enthusiasm that a high school coach uses on an outstanding athlete, Dr. James B. Conant said Wednesday.

Dr. Conant is a former president of Harvard University.

The famous educator emphasized however, that no student should be required to take any academic course not required of all students, just as no athlete should be required to play football or basketball.

"It's a job for the counselor or guidance officer," the former Harvard University president said in an interview.

Talks To Principals

"The academically talented student should be urged to take all the elective mathematics and science courses possible during his high school years.

"Allowance can be made for the very exceptional student who has truly creative, artistic ability and who might well be advised to go on to a conservatory or an art school," he said.

Conant, in an address prepared for the annual convention of the National Assn. of Secondary

School Principals, told nearly 4,000 delegates:

Encourage Talents

"If a basketball coach sees a boy well over six feet tall with good coordination, he will urge the boy to try out for the basketball team for his own good and for the welfare of the team and school.

"The same reasoning should hold true for a boy or girl with talent in mathematics and science. His or her own welfare and that of the nation call for the development of this talent. I would also make the same statement about students with talent for foreign languages."

Over \$62 Million Paid To Veterans

HARRISBURG (AP)— Bonus payments totaling \$62,408,440 have been made to Pennsylvania veterans of the Korean War or their beneficiaries.

Director Edward F. Ryan of the Korean Bonus Bureau said today all eligible claims filed by Feb. 29 will be paid by the end of March.

Applications, he added, have dropped off to about 1,500 a week compared with the 20,000 per day

WOMAN'S LOT IS TOO TOUGH TO BE ENVIED

By HAL BOYLE

NEW YORK (AP)—Curbstone comments of a pavement Plato: Every man at one time or other wonders if, in his next reincarnation, it wouldn't be better to return to earth as a woman.

We have been brooding on this possibility recently and have decided: No, it is not for us.

If we are granted a second life, we prefer to live it again in the masculine gender. It seems "he only manly thing to do."

Natural Curiosity

Granted a choice, there are compelling reasons why many a fellow might be tempted to be reborn a woman instead of a man.

For one thing, there is a natural, human curiosity to see at first hand how the other half lives. For another thing, women

when the program began last October.

The state has issued 150 million dollars in bonds to pay anticipated claims for the bonus. An estimated 401,000 veterans are eligible. The deadline for filing is Dec. 31, 1963.

now control more wealth and live longer than men. These are advantages not to be sneezed at, as long as money is worth spending and life is worth living.

But there are important disadvantages. Two that come instantly into the male mind are a couple of worries he doesn't now have:

More Potent Arguments

1. How to fix a run in his stocking.

2. How to stuff a 34-inch waist into a 26-inch girdle, a mathematical impossibility which women achieve every morning.

But there are even more potent arguments to dissuade any sensible man from ever pining for a woman's role in his next life.

In cave-man days life was simple for woman. All she had to do was bear children and cook the meat on days when the old man had some luck hunting.

When the human race started tilling the soil, woman's lot became tougher. She even became kind of a beast of burden. If one of the oxen fell ill, she had to step into the traces and help pull the plow.

Responsibilities Wider

Under civilization woman's responsibilities have mushroomed and widened tremendously.

A modern housewife's duties now sound like an occupational roll call made by the U. S. Department of Labor.

She is the family chef, chauffeur, banker, tax expert, business

GOP Solons Back Many Labor Bills

HARRISBURG (AP)—Republican members of the state Legislature substantially improved their voting record on pro-labor legislation in the 1959 session, according to the Pennsylvania Federation of Labor.

PFL President Joseph A. McDonough, in a report on the 1959 session, said Tuesday House Republicans supported labor legislation two-thirds of the time, compared with only 9 per cent in the 1957 session.

The statewide labor group supported 29 bills and opposed two. Eight of the 29 became law. Both of the bills opposed passed the Republican-controlled Senate but died in the Democratic-controlled House.

YOKOHAMA, Japan (AP)—At least 11 Japanese, most of them children, were crushed to death Wednesday when several thousand persons tried to push into a hall for a free concert. Some of the crowd stumbled in the narrow entrance to the hall and the pileup ensued.

adviser, dishwasher, laundress, plumber, electrician, accountant, educator, paper hanger, maid, butler, nurse, recreation director, master of ceremonies, psychiatrist, judge, jury, warden and tipstaff.

DRILL TEAM WILL MARCH IN CHERRY PARADE

WASHINGTON (AP)—Pennsylvania's marching contingent will be the largest of any of the state delegations in the Capital's Cherry Blossom parade this year, an official reported today.

The Keystone State will have 10 bands and 10 drill teams in the mammoth procession climaxing the annual festival on April 9, said Edward H. Ring, president of the Conference of State Societies.

Drill teams in the line of march will include those from the University of Pennsylvania, Pennsylvania State University, Gettysburg College, Dickinson College, Pennsylvania Military College, Villanova University and LaSalle College.

Ring, a native of Erie, Pa., also is president of the Pennsylvania State Society in Washington.

"We're out to do it up bigger and better than ever for Pennsylvania and the whole national conference this year," said Ring.

Throughout the six-day event, Pennsylvania will be represented by its own cherry blossom princess, as yet to be selected. Ring said the choice will be announced soon.

Official State Band

The Altoona High School 150-piece marching band has been selected as Pennsylvania's official state band in the parade.

Other keystone state bands participating in the parade will include Cumberland Valley High School, Mechanicsville; Jeannette High School; Brandywine Heights Joint High School; Saxton Liberty High School; Gov. Mifflin High School; Shillington; Middleburgh Joint High School; Saxton Liberty High School; Neville Island High School; Pittsburgh, and the Pennsylvania Military College R.O.T.C. band, Chester.

GIVES UP AFTER 3 SHOOTINGS

PHILADELPHIA (AP)—A 27-year-old Negro, who detectives said was angered after being beaten during an argument over whether a friend was stingy, shot and killed one man Tuesday night and wounded two others, police reported.

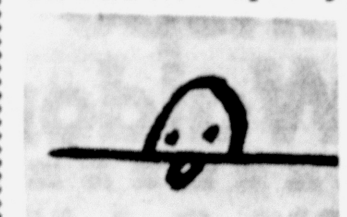

Sgt. William Lindsay said William Holoman walked into police headquarters and surrendered a .38-caliber revolver after telling of the shootings.

Dead was William Galloway, 25, a Negro.

Reported in serious condition today in Philadelphia General Hospital were Galloway's brother, Richard, 22, and Sid Kabinoff, of Springfield Twp., Montgomery County. Both the wounded were shot in the head. They were first taken to St. Luke's Hospital and later transferred to Philadelphia General for surgery.

Notice Of Public Sale Of Real Estate and Personal Property SATURDAY, MARCH 26, 1960

The Board of Directors of Latimore Township School District pursuant to a resolution adopted December 4, 1959, will sell the following improved real estate at public sale at the time and place specified as unused and unnecessary school lands and buildings:

TRACT NO. 1: At 12:00 o'clock noon, the premises known as Mechanicsville or Bragtown School House, situated in Latimore Township, about 1/2 mile southeast of Bermudian, being a lot 203 feet by 84.5 feet by 203.8 feet by 82.5 feet, improved with a brick school building, with drilled well.

TRACT NO. 2: At 1:00 o'clock, p.m., the premises known as "State Road School," situated in Latimore Township, on Route 15, about 1 mile northeast of York Springs, being a lot 160 feet by 206 feet by 161.5 feet, improved with a brick school building, with drilled well.

TRACT NO. 3: At 2:00 o'clock, p.m., the premises known as Harbold's School, situated in Latimore Township, 3/4 of a mile south of the village of Latimore, being a lot 102.86 feet by 168.61 feet by 165 feet by 168.63 feet, improved with a brick school building.

TRACT NO. 4: At 3:00 o'clock, p.m., the premises known as "Blackberry School," situated in Latimore Township, about 1 mile north of the village of Latimore, being a lot 97.6 feet by 97 feet by 99 feet by 89 feet, improved with a brick school building, with drilled well.

All of the schools will be sold at the site of the school at the times above specified.

All of the above schools are readily adaptable to dwellings, are in ideal locations and have electricity, as well as outbuildings.

Items of personal property will be sold separately at each school building, including blackboards, school bell, desks, stoves, oil burners, etc.

2 TOWNSHIPS' REPORTS ARE PUT ON FILE

Tyrone Twp. spent \$22,495.55 last year, according to the annual report filed by its auditors in the clerk of courts office. It ended the year with a balance of \$11,842.11.

The township's largest expenditure was for roads, \$19,323.64. The totals for general government and protection to persons and property were \$1,541.41 and \$1,412.85, respectively.

Included in the highway expense was \$8,680.17 for construction and reconstruction and \$9,952.40 for resurfacing and maintenance.

The cash balance at the beginning of 1959 was \$10,517.02, \$1,325.09 less than the current year. The total revenue received was \$23,820.64, the total taxes collected, \$8,838.28. There were \$1,682.22 taxes outstanding and total resources of \$18,174.33.

Paul A. Shaffer, Gardner, tax collector, received compensation of \$282.82. The auditors are Frederick C. Kuntz, Gardner R. I. G. Thomas Matter, Gardner, and Donald E. Lady, Gettysburg R. I.

Reading Twp. Reading Twp. spent \$29,690.57 last year, according to the annual report filed by its auditors in the clerk of courts office. It ended the year with a balance of \$1,373.66.

The township's largest expenditure was for government, \$26,669.57. The general government total was \$2,068.49. The second largest expenditure, highways, was \$22,229.89, including \$15,283.17 for resurfacing and maintenance. Earth-roads were reduced from 36.48 miles in 1959 to 35.63 miles in 1960 and improved surface roads over the same period from 5.82 miles to 6.67 miles for a total of 42.30 miles.

The cash in the bank in January 1959 was \$560.25, \$813.41 less than \$1,373.66 of January 1960. Total resources are \$15,493.87 with a total revenue received of \$27,508.96. The total receipts and balance is \$31,064.23.

Harold Hartzel, Hampton, is tax collector and received compensation of \$327.08. The auditors are Glenn Hoffman, Glenn Jacobs and Frederick L. Leer, all of East Berlin R. 2, and D. G. Deatrick, Hampton.

DUNCAN CITES

(Continued From Page 1)

nights a season on the "sleepers." This led Duncan to remark that for some \$40,000 a year he would gladly spend 300 nights a year on the "sleepers." Not long after, he related, he received a letter "from seven friends in Scranton" suggesting he "could spend 365 nights a year on the 'sleepers' and he still wouldn't be far enough from Philadelphia."

Dizzy Dean Episode

Duncan recalled an incident related to him by Dizzy Dean one evening while he was a guest at the baseball great's home. It seems three St. Louis sportswriters hit upon the same idea at the same time. Each planned a life story of Dean. Each made a separate appointment to interview him. Each wrote the first installment of the story which appeared on the same day. There were scarcely two similar facts in any of the stories. This caused the sportswriters to question Dean, who replied: "You came to me in single file each asking for an exclusive story. That's what you got."

Duncan commented on two great actresses: Helen Hayes, whom he described "as the most interesting person he had ever interviewed," and Tallulah Bankhead, whom he described "as the easiest woman I ever interviewed. All a reporter had to do was to give his name and the name of his paper and sit back."

Comparing the C. H. Musselman Company with organizations he has seen across the nation, Duncan termed the host company "a backbone of the nation" type organization.

Knute Rockne Tenet

An anecdote involving a speech by the late Knute Rockne at a sportswriters' dinner was recalled: "You cannot fail your fellow man and win." Duncan declared this held true not only in the game of football, on which the statement was based, but in the game of life as well.

John A. Hauser, president, C. H. Musselman Company, served as toastmaster and introduced Mr. and Mrs. John Naugle, assistant county agent; Dr. and Mrs. Frank Hewitson, Arendtsville Experimental Laboratory; Jack Gray, president, PCA; Mr. and Mrs. Richard Lighter, Adams-Franklin area vocational agricultural supervisor; Cecil Snyder and John White, vocational agricultural instructors, Biglerville High School, and Carroll Slough, who holds a similar position at Bermudian Joint High School.

COURT GIVEN

(Continued From Page 1)

The school board would receive \$900 from the property and the supervisors \$88 if it remains in the township.

No Improvements

The report stated that the board of supervisors has made no public improvements in the Larson Court area, that the school board had made no improvements there and "no evidence was submitted as to any future plan for the entire area either on behalf of Gettysburg or the township."

The "commissioners" declared that "the township of Cumberland is presently confronted by the possibility that the U. S. government will acquire hundreds of acres of township area which would be added to the Gettysburg Military Park. Should the military park be enlarged, the assessed valuation in the township would be substantially reduced and further the areas would be unavailable for any development, residential or commercial. By reason of the aforesaid, any reduction in assessed valuation in the township of Cumberland would have a greater effect than the usual one."

The "commissioners" were Roy D. Renner, Eugene Murren and Attorney J. Francis Jake Jr.

According to their report, which did not include any recommendation to the court, Attorney John A. MacPhail appeared at a hearing before the "commissioners" as representative for the school districts and board of supervisors of Cumberland Twp.; Atty. Eugene V. Bulleit appeared for Gettysburg and Attorney Franklin R. Bigham for Larson's Courts.

Ross H. Crouse gave testimony for Cumberland Twp.; Allen Larson for the Larson corporation and Walker Woods generally as the county's chief assessor.

JUDGES WILL

Troop 45, Dr. R. M. Phreaner office; Intermediate Troop 51, John Redding Barber Shop; Intermediate Troop 56, Telephone Exchange; Brownie Troop 75, Dutterer's Restaurant; Brownie Troops 61 and 72, DeKalb Agricultural Association.

Other Displays

Window listings for Neighborhood No. Three will be announced later, Mrs. Nichols said.

In the Juliette Low Neighborhood the displays will be placed as follows: Intermediate Troop 1, Cutshall's Grocery, Arendtsville; Brownie Troop No. 2, Bushman's Store, Arendtsville; Brownie Troop 29, Bucher's Restaurant, Bendersville; Intermediate Troop 31, Brough's Store, Bendersville; Brownie Troop 27, Biglerville Hardware; Intermediate Troop 40, Klinefelter's Electric, Biglerville; Senior Troop 60, Ditzler's Furniture Store, Biglerville; Intermediate Troop 24, and Brownie Troop 52, both at Harry Bream's Store, Cashtown; Brownie Troop 32 in the Kindergarten room at Fairfield, and Intermediate Troop 33 in the Francis Rider property, Fairfield.

The Gettysburg troops will have their displays at the following places: Senior Troop 3 and Brownie Troop 59 at the AAA office; Brownie Troop 25 at Bickle's Insurance; Intermediate Troop 55, Ridinger Insurance; Intermediate Troop 7, Service Supply; Intermediate Troop 57 and Senior Troop 21, Varsity Barber Shop; Brownie Troop 71, Rea and Derick's; Brownie Troop 63, Weikert's Barber Shop; Senior Troop 68, Citizens Oil Co.; Intermediate Troop 22, Waugaman, Pitzer and Messner Insurance; Intermediate Troop 70, Swank Products; Intermediate Troop 42, Baker's Radio; Intermediate Troop 44, Rena Ware; Brownie Troop 62, Gettysburg Hardware; Senior Troop 36, MacDonald Co.; Brownie Troop 73, Fiberglass Awning.

She Fibs To Lure Ten Policemen

MIAMI BEACH, Fla. (AP) — Ten policemen came with sirens screaming to search for Colette Barrett's lost cat.

Miss Barrett, a model, reported Wednesday the animal was wearing a diamond choker and gold leash worth \$10,000.

The cat, an alley named Irwin, was retrieved from the top of a palm tree. He was wearing only a \$20 collar.

Miss Barrett admitted she fibbed.

"But how else could I get five squad cars to look for poor little Irwin," she said.

A detective said there's no law against telling whoppers to Miami Beach police.

BALTIMORE LIVESTOCK

CATTLE—Receipts 125 and calves 50; small supply all classes and not enough sales to test prices; load 1,125-lb. choice steers about 50¢ higher at \$26.50; small lot 225-lb. choice vealers, \$58; few utility bulls, \$22—\$22.50, individuals up to \$23.25; late Tuesday 1 load 1,357-lb. good grade slaughter steers, \$24.10.

HOGS—Receipts, 600; virtually no demand for butchers, only few sales weak to 25¢ lower, large bulk of butcher supply unsold and will probably be held for Thursday's trade; sows and pigs, steady to 25¢ higher; bulk supply mixed lots U.S. No. 1-2 and No. 1-3 50-225-lb. butchers, 1 lot mostly No. 1, included in No. 2, 40 head No. 1 and No. 1-2 190-220-lb. butchers, \$15.50; 1 lot No. 3 230-lb., \$14.75; mixed No. 1-3 300-550-lb., sows, \$10.50—\$12.75.

WHEAT—None.

President

(Continued From Page 1)

no injury.

Car Takes Detour

After his speech to the Uruguay-

an Congress, Eisenhower's car took an unannounced detour to avoid the areas where trouble had erupted.

U.S. Secret Service agents, who had their fingers crossed when the President left Washington

Feb. 22 on his 15,560-mile trip, breathed a sigh of relief that the tour went off without any major trouble.

But everywhere the President brought out the biggest crowds that South America has ever seen,

and the roars of "Welcome Ike" drowned out the few shrill cries against the United States.

And everywhere he sounded the same theme—the friendship of the United States for her neighbors.

He stressed the traditional United States policy of noninter-

ference in the internal affairs of other countries. In an implied warning to the Soviet Union, he promised to defend the right of the Latin Americans to choose their own governments without

outside interference.

LAWRENCE IS OPPOSED TO EXECUTIONS

HARRISBURG (AP)—Gov. Lawrence says he is personally opposed to capital punishment, but that he would never make a political issue of it.

"I have never been in sympathy with capital punishment," he said when asked for his views on the subject at a news conference Wednesday.

"I believe the commandment 'Thou Shalt Not Kill' applies to everybody," he added.

No Advice For Brown

Lawrence declined to offer any advice, however, to California Gov. Pat Brown who is involved in a dispute over abolition of the gas chamber in that state.

"I have a difficult job running Pennsylvania without trying to run California," Lawrence commented.

He also sidestepped a question as to what he would do with legislation to abolish it here should it ever come to his desk.

"I'll pass on that when it comes here," he said.

There is no such question before the Pennsylvania Legislature now.

Other Questions

Other questions at the brief conference with newsmen developed these answers:

Harness race revenue — Law-

rence declined to estimate potential revenue for the state if pari-mutuel betting on harness races is approved, saying "it would be the wildest kind of guess because there isn't anything to go by."

Start of an education study announced last December — "It's coming along all right. We've got our list (of study group members) well prepared and we're about to ask the people if they will serve."

Risk of a Democratic national party split on the civil rights issue — "No more than we have. There has been a split since '48 on that question and maybe beyond that."

Alleged inaction of Philadelphia Dist. Atty. Victor H. Blanc on vote fraud charges — "Well, I don't want to comment on what they did or what they want to do. That's purely within their own province, but I understand that Victor Blanc called the attorney general yesterday (Tuesday) and she is going to see him tomorrow (today)."

On U.S. Sen. Joseph Clark's statement that Sen. Lyndon Johnson (D-Tex.) is not presidential material — "No comment."

Chance the harness racing law will hurt Pennsylvania Democrats in November — "I said that we would—and so did my opponent in the election in 1958—that if they passed a racing bill with a referendum in it, we would sign it. And I signed it. I don't know why it should hurt Democratic candidates."

The American scientist Steinmetz discovered the laws of alternating current in 1892.

Damaged In African Quake

This building was damaged after two quakes and tidal wave struck Moroccan city of Agadir. Moroccan officials said 1,000 were killed and perhaps several thousands injured. (AP Photo by radio from Casablanca)

Kalamazoo Mall Is Working Well

KALAMAZOO, Mich. (AP)—Kalamazoo's downtown shopping

mall was six months old last week—and nearly everybody still is happy with it.

In a poll of the 45 retail stores on the mall, the Kalamazoo Gazette found only three dissatis-

fied.

A survey by the Downtown Kalamazoo Assn. indicated there had been an over-all average increase of 10-to-15-per cent in sales since the mall was opened in August.

N. J. PUC Blamed For Rail Troubles

HOBOKEN, N. J. (AP)—Lackawanna Railroad President Perry M. Shoemaker says the state public utility commission is trying to bankrupt passenger lines in New Jersey.

In a letter Wednesday to PUC President Ralph L. Fusco, Shoemaker charged the state agency was "ingeniously" bankrupting the railroads by:

"Long delays in deciding most important railroad cases; failure to hold joint hearings with the interstate commerce commission on common interest even though passengers have supported it thus creating artificial discrimination and improper usage of intrastate fares."

Fusco had no comment on the letter.

Nancy Sinatra Will Wed Sands

HOLLYWOOD (AP)—Frank Sinatra's daughter, Nancy, is engaged to singer Tommy Sands.

Her mother, Nancy Sinatra, announced the engagement Wednesday. She said no date has been set, but that Sands, 22, has bought a ring and will give it to 19-year-old Nancy as soon as she returns from New York.

College Wrestling By THE ASSOCIATED PRESS Franklin & Marshall 26 Temple 11

Smokey Says:

Unattended campfires can cause forest fires. Be careful!

Ticket Every 15 Years Is Average

TAMPA, Fla. (AP)—Statistics show the average motorist gets a speeding ticket every 15 years, says the Peninsula Motor Club.

In a report Wednesday, the club said the average motorist should get a parking ticket every 2.8 years and it would take the average motorist 16,400,000 miles of driving to become involved in a fatal accident. He only drives 500,000 in his lifetime.

TOO MUCH SNOW

SNOW HILL, Kan. (AP)—Schools in Snow Hill suspended classes Wednesday. Too much snow.

RAILROADS MAKE MONEY, SAVE LABOR

WASHINGTON (AP)—American railroads are not going broke, says a labor leader.

In fact, said G. E. Leighty, chairman of the Railway Labor Executives Assn., they are making more money and carrying more passengers per train than they did during their prosperous years of the 1920s.

Leighty Wednesday accused the lines of deliberately trying to discourage passenger patronage in hopes of discontinuing all passenger service.

He testified before a House Commerce Subcommittee investigating declining passenger service.

Rep. John Jarman (D-Okla.) of the committee took issue with Leighty.

"It is inconceivable to me that management with all the facilities at its disposal and the public interest with which it is charged would have the attitudes and objectives you indicate today."

Harmon Killebrew, who hit 42 home runs for Washington last season, led the Southern Assn. in strikeouts with 123 in 1957.

Dr. Paul A. Siple recorded an officially accepted temperature of minus 102.1 degrees at the South Pole on Sept. 17, 1957.
